PRESIDENT'S REPORT

Members,

It is with continued pleasure to be able to preface another club annual report, this time at the completion of our twenty third season.

Certainly season 1991-1992 commenced as another of rebuilding, but concluded with a flourish of high playing achievement.

It was most encouraging to have our: Senior Women's team winning yet another premiership; first and fourth grades of the men competing in their respective finals and; several junior teams vying for premier status. This does reflect a preponderance of talent, pride and commitment among our club membership.

The playing achievements are even more admirable when it is remembered how young the clubs players are and that for the majority of the season the training facilities for the women and senior men were totally inadequate for decent match preparation.

For the ensuing seasons there are a number of areas that require great improvement, apart from the quality of training facilities.

Firstly, the need for more effective communication; so that the Club can be properly administered, the appropriate office bearers receiving advice and; information passed onto players so they are aware of what they can expect and what is required of them.

An area that should be considerably revitalised is the social aspects of the Club, where activities must be properly

base needs to be contemplated and a decision made on a long term basis.

A third element for improvements is broadening the resource base of the Club's administration, both financial and people wise. If on-field progress is to be maintained then the administration must, at least, equal that development.

Thanks to those who maintained the Club throughout the season should be apportioned to a number of willing and committed individuals. Particularly the grade captains who are left to fulfil a range of responsibilities, particularly on game day. Also the Juniors Committee, led capably by Eddie Wheeler, who co-ordinated the ten junior teams effectively as well as Kanga Cricket, and can take a deal of credit for the number of young players adorning our senior sides. Finally, Brian Hall for ensuring that the women's teams are cared for in every aspect. (Sadly Brian Hall will no longer be able to take on that role. The warmer climes of the north have proved to attractive to be denied in his retirement.)

Season 1991-1992 must now be viewed as a watershed for the Club's endeavours, as the last few seasons have only held isolated success.

A platform has now been established for the attainment of greater success. Not just for all players wanting to achieve and maintain higher playing standards, but also for those administering the Club's activities and doing so in a thoughtful, industrious and pro-active manner. Consistent effort should be the primary essence for both endeavours.

Good cricketing!

Michael Brady

WESTERN DISTRICT CRICKET CLUB

Notes to the Financial Statements as at 30th April 1992

1) Basis of Accounting

The accounts have been prepared on the basis of historical cost.

2) Equipment

The value of equipment is an estimate based on the value at the end of the previous year adjusted for additions and write offs during the course of the 1991/92 year.

AUDITOR'S REPORT TO THE MEMBERS OF
THE WESTERN DISTRICT CRICKET CLUB

I have audited the financial statements, comprising the balance sheet, income and expenditure statement and the notes thereto, in accordance with Australian Auditing Standards.

As an audit procedure it was not practicable to extend my examination of the receipts and payments beyond accounting for the amounts shown in the books and records of the club.

Subject to the forgoing reservation, in my opinion, to the best of my knowledge and according to the explanations given to me, the financial statements present fairly the position of the club as at 30 April 1992 and of its results for the year ended on that date.

Jeremy Challen

Jeremy Challen LLB, ACA
7 July 1992

JUNIOR CRICKET REPORT

Junior cricket with Wests during the 1991/92 season, from all accounts, was enjoyable as ever with 10 teams competing from Under 10 to Under 17, and some 50 children playing Kanga.

There were many highlights including the performance of the Under 14 division 1 team in winning the Championship; our usual high number of representative players and our performance in the Twilight six-a-side competition.

One pleasing aspect of our junior cricket season was the relationship we built up with Evatt in relation to Kanga cricket. Some 12 or so seven to nine year olds joined with us of a Saturday morning in the conduct of our Kanga at Canberra High School oval. The parental support from Evatt was wonderful and we look forward to a strengthening of our association in future sessions.

TRADITIONAL CRICKET

The Under 10's and 11's had a very enjoyable season, playing a modified version of traditional cricket. These teams played in a northside competition which was convenient from a travelling point of view and all three teams more than held their own.

The two Under 12 teams have both performed very creditably on the field and won about 50 per-cent of their matches.

The Under 13 1's had mixed success this season, but had a thoroughly enjoyable year, playing their cricket in the right spirit - for which Wests is noted. The highlight of their season was reaching the final of the six-a-side Twilight competition, in which they were beaten by one run. This performance showed what might have been only for a bit more luck throughout the season.

In forming a second side in the Under 13's Wests continued the tradition it pioneered by joining forces with Ginninderra. In keeping with the spirit of even handedness, this team played under the name of Ginninderra as our combined team last season, played as Wests.

The Under 14 age group was a real success story this year with both 14 1's and 14 3's playing for premierships. As mentioned earlier, the 14 1's won the premiership in a nail-biting game in the last over. The 14 1's also made the six-a-side Twilight final, only to be beaten by one run.

The formation of the Under 14 Division 3 side this year was only possible through Wests offering to take some "surplus" players from Ginninderra and Canberra North. Coach Mike Sainsbery welded the boys into a formidable outfit and the team went down gallantly in the premiership final.

The Under 17's have had a very enjoyable year playing in the top Division and put up a wonderful performance in the latter part of the season, coming home with a wet sail to finish third. This was a commendable effort considering most of the lads are only 15.

REPRESENTATIVE PLAYERS

Wests had another outstanding year in relation to representative honours with the following players achieving representation for the ACT.

Under 17's	
(Australian Championship)	Tom Armstrong*; Bruce Hara*
Under 16's	Ben Keens*; Swee Tin Pang*; Matthew McInnes*
Under 14's	Ian Barons; Rocco Cecere; Stewart Camara; Greg Wilson
Under 13's	Paul Cecere

* These players are eligible for juniors but have been concentrating on grade cricket with Wests seniors.

Former Wests Junior also featured in the ACT Under 19 team for the Australian Championships in Perth with Ian Garrity selected as Captain and Damian Whitelum for the team.

It would be appropriate to mention here that a large number of ex-juniors were well and truly sprinkled throughout the senior grades of Wests. Many played in the top two teams and Wests' revival in senior cricket this season can be put down to the skill and enthusiasm of our ex-juniors.

The end-of-season Presentation Day was held on Saturday 23 March at Western Districts Rugby Union Club. The occasion was used to present special awards to our representative players, as well as parents to all players. Parents were well presented and it was great to see the interaction amongst everybody.

I should not let this occasion pass without thanking all coaches, managers, scorers and other helpers who made it all possible for the players to have a game every weekend.

Finally I would like to pay particular tribute to the hard working committee of Pauline and John Armstrong and Graham Bonnett. They were a great support to me throughout the season and enabled the administrative side of the juniors to run smoothly.

EDDIE WHEELER
CHAIRMAN
WESTS JUNIORS

8 April 1992

WOMEN'S REPORT AND STATISTICS

West's women cricketers continue their dominance of the ACTWCA premiership competition by taking out the 1991-92 premiership. The record is looking more and more impressive - having been in the ACTWCA competition for twelve years, West's women have now played in ten grand finals, winning seven, the last six being consecutive.

Despite the win, the season was not a real satisfying one throughout. It began with our captain of many years, Glenda Hall being forced to have the season off to try to heal a stress fracture in the leg, and a number of other players deciding for various reasons not to play. In fact we went right through the season without a complete senior team. With the assistance of a number of players' friends and the ability of some juniors to play, we managed to name a full team in all but one match, and in that, we managed to beat the pretenders to the throne in a one day match with only eight players.

Secondly, it was a very disrupted season on the playing side, with about a quarter of our games being washed out, and some forfeits due to the Australian National University team having troubles leading up to their exam period. Finally, I was not around for a bit of the season, having to be in Orange to oversee the Australian Championships, then going to New Zealand for two weeks with the Australian Team, and being tied up in Sydney for the Test Match against England. My thanks must go to Ashley Heddle for his work in organising the girls during these absences.

Even though four of our leading players were unavailable for representative duties this season, we still had form players in the team - Karen Hitchcock, Rebecca Heddle, Penny Brown

and Mary Johnston. (Mary only played a few games with us during this season). And Wests provided the coach for the representative team - Glenda Hall being determined to go to the Championship even though she could not play, managed to coach the team to third place, the best the ACT has ever achieved.

Perhaps the highlight of the season, apart from the premiership, came with the announcement of West's Karen Hitchcock as winner of the Chief Minister's Trophy as the most promising Under 21 player in the ACT. With this trophy Karen won a return airfare to England to play cricket (sponsored by Qantas) and \$1000 spending money provided by the Chief Ministers Office.

Our juniors team were showing some pleasing promise during the season as well. They finished the home and away games in second place behind St Clares. Unfortunately, they lost one wicket too many in the semi-final and were defeated by Ginninderra, who subsequently went on to win the juniors premiership. Four of our juniors, Jodie Young, Suzanne Rose, Belinda Wheatley and Melissa Button were named in the ACTWCA Developement Squad for coaching over the winter months.

My thanks to all the players for the way they performed during the season, and their application and concentration when put in to bat on a sticky wicket in the final. They deserved their rewards. In addition, my congratulations to the two juniors who played in the final - Jodie Young and Suzanne Rose. Without their efforts our task would have been more difficult. I hope all of the girls stay together as a team when Margaret and I leave Canberra for Queensland, and continue to set records in the ACTWCA Competition.

Brian Hall

15 (2 day) Wests 3/56 (dec) (S-J Moore 41 n.o) and
 0/14 def. ANU 23 (H Drew 3/9, K Hitchcock
 3/11) and 44 (S-J Moore 2/13, K Hitchcock
 2/8)

FIRST GRADE REPORT

"You've got to learn to crawl before you can walk!"

With this adage in mind, one would have to say that the Wests Ones have taken those first few tentative steps on the way to breaking into full stride.

Come the season's end, the "Ones" finished as semi-final contenders in the One-Day Comp and grand final contenders in the competition proper.

What a great final two months of the season to cap off 1991-92, only to falter at the last hurdle with a defeat at the hands of competition giants, Queanbeyan.

To sum up the scenario, at the beginning of February, and with only four rounds remaining, the "Ones" were languishing in fifth position, seemingly out of contention with the top four teams remaining to play. Then, with only the washed out match against Tuggeranong preventing a thorough demolition of the top sides, the Ones swept aside all before them (including the "Big Q") and finished in third position on the competition table at the end of Round 14.

Included in these victories were some outstanding individual and team performances, some will be highlighted later in this report. Stability within the team was a major factor in the end of season success, with each player showing at some stage his ability and tenacity to compete at the first grade level.

As captain of the side for the past three seasons, some of the individual performances and victories were especially satisfying as the learning curve has finally shown signs of ascendancy. This club has some tremendous talent within its youth, including an ability to produce team leaders, and provided this talent continues to develop, the club will have a promising future.

1991-92 saw the return of the old Wests spirit and this was particularly noticeable toward the end of the season. Much of the credit should be directed to those diehards forming the nucleus of the 4th grade side, and also to the success of both this team and the "Ones".

It was great to see the re-emergence of some past Western District colleagues at the end-of-season matches. Their presence is always appreciated by the players, and their involvement is to be encouraged.

PLAYER PROFILES 1991-92

Ian Garrity

Arguably the best performed player in the competition. To average just under 60 runs per match opening the batting (when your home ground is KALEEN!) is an outstanding performance. Very handy with the ball and delivered many useful spells during the season. Along with his opening batting partner, the best fielder in the side.

Season highlights:

106 n.o. -v- ANU (ANU South, 21 Dec 91)

148 n.o. -v- ANU (Kaleen, 7 Mar 92)

12th Man PM's XI -v- India (Manuka, 17 Dec 91)

Captain ACT U19s (Perth, 13-24 Jan, including 100 -v- NT)

Nigel Webster

First season in grade cricket, and to play the majority of games in Ones underlines this fella's ability. Undisputedly the best "short leg" fieldsman in First Grade, and as good as anyone we've got elsewhere.

Season highlights:

3 dismissals -v- South Canberra (ANU South, Semi-final 20-22 Mar 92)

30 -v- Tuggeranong (Chisholm, 23 Nov 91)

Tom Armstrong

Potentially a very good No.3 batsman, and made this spot his own in the Ones. Another Wests junior destined to play First Grade for a long time. Treated ex-Test bowler Phil Newport almost with contempt in one of the best 38's you'll ever see at Boomanulla this year. Tom's century -v- ANU this year showed he is coming of age as a top order bat, playing the likes of Irvine, Radcliffe and Bush with great maturity.

Season highlights:

107 n.o. -v- ANU (Kaleen, 7 Mar 92)

Captain ACT U17s (Canberra 6-17 Jan 92)

Mark Murphy

Very capable No.4 bat, "Eddie" produced a couple of match-winning knocks including one against that man Newport, who was bowling "green-eyed monsters"! Made the "covers" his home in the field and did a fine job.

Season highlight:

75 -v- Ginninderra West Belconnen (Kaleen, 2 Nov 91)

Craig Henderson

The "ol' man" once again did a stirring job behind the pegs, the bowlers not being able to get the "snicks" that won him the ACTCA 'keepers award the previous season. Consistent with the bat and produced a couple of very timely knocks. Good vice-captain who has the respect of all the players.

Season highlights:

54 -v- ANU (ANU South, 21 Dec 91)

5 catches -v- Queanbeyan (Manuka, 27-29 Mar 92)

49 (Pre-wedding slap) -v- ANU (Kaleen, 7 Mar 92)

Vaughan Macdonald

Despite being a strong contender for the "Golden Globe" award, Junior finally shared with us some of that talent he had hidden in the closet for all of 1990-91. Who will ever forget the way he mercilessly treated South's bowlers during the match winning knock of the Semi? When in form, hit the ball very hard and produced a couple of more-than-useful one-day innings.

Season highlight:

115 -v- South Canberra (ANU South, 20-22 Mar 92)

Bruce Hara

"Roo" proved to be the "find" of the season, having spent the first half of the season in "2nds". Roo showed great qualities, making the most of limited opportunities. Picked up "4 for" on debut, filled in superbly as an opening bat, two of his catches were absolute gems. At the tender age of 16, he was far from overawed by the end-of-season fixtures, bowling a great spell in the semi.

Season highlights:

60 -v- Ginninderra West Belconnen (Boomanulla, 1 Feb 92)

4/35 -v- Canberra North Daramalan (Boomanulla, 18 Jan 92)

U17 ACT Representative

Mark Garland

"Gecko" arrive in January from Brisbane and had an immediate impact on the Ones unit. Provided that added enthusiasm and will-to-win to the side that rubbed off on many of the other players. Bowled consistently well and provided valuable runs in the middle order.

Season highlight:

2/53 (38 overs) -v- Queanbeyan (Freebody, 22 Feb 92)

David Thornton

This bloke is the best club bowler in the ACT! A tireless worker, his ability to constantly (and agonisingly) beat the bat is second to none in the comp. You don't have to be Einstein to work out that Thorno was one of the main reasons the Ones finished second and not fifth. Improved batting and fielding this season, but his "thought processes" when bowling really shone through.

Season highlights:

29 -v- Queanbeyan (Kaleen, 30 Nov 91)
5/83 -v- Queanbeyan (Freebody, 22 Feb 92)
5/25 -v- ANU (Kaleen, 14 Mar 92)
5/57 -v- South Canberra (ANU South, 20-22 Mar 92)
5/149 (50 overs) -v- Queanbeyan (Manuka, 27-29 Mar 92)

Doug Swanson

Great competitor and trainer, "Dougie" revelled in the presence of all the young guys, providing several lighter moments for the team. Used mainly as a change bowler, had a great ability to pick up wickets and proved a great asset to the bowling attack. Was beneficial to have another "old bloke" around.

Season highlight:

3/20 -v- CND (Kaleen, 26 Oct 91)

Other players to make useful contributions during the season included "Damo" Whitelum (who we all wish could be available more than two matches on the trot!), Paul Allen, Andrew Armstrong, Luke Healy and Matty McInnes. Thanks go to all these blokes for their efforts during the year.

This report differs greatly from the First Grade reports of the past two seasons. I might add that this report was a pleasure to write. The players have developed "self-help" techniques and the ability to think spontaneously (for themselves). Congratulations to all the 1st XI players for

their commitment to the club over the latter stages of the season and thanks for making the skipper's job that little bit less stressful.

On behalf of the Ones, thanks to "Brades" and his Management Committee on yet another season of cricketing administration.

Bring on 1992-93.

Cheers.

Darryle Macdonald

SECOND GRADE REPORT 1991/92 SEASON

It is hard to argue that when a team manages to win only one game during a season they have had a successful season. However, this is clearly the case with the second grade side. Success in this case is not measured in how many wins were achieved, rather in the improvement that was seen over the course of the year, particularly in a number of younger players.

Special mentions must be made to Paul Roberts and Chris Barnes (I think) for their efforts in winning bowling and batting averages respectively. Paul in particular put in a super effort during the entire year, a highlight being his effort against Queanbeyan in which he bowled every over from one end during the course of the first and second innings. He finished with 22 wickets at an average of 30.18. Barnsey also performed consistently during the year to finish with 204 runs at 18.55. Chris is one player who needs to concentrate for much longer periods and this is reflected in the fact that he had a number of scores between 20 and 30. He would have had a much better season, and probably would have put pressure on a first grade spot if only he could push on to bigger scores.

One area that needs to be improved is players concentration over the entire day, especially when batting and fielding. Numerous occasions players managed to get a good start with their batting only to throw away a golden opportunity to make a large score by playing a rash shot (see Barnsey above). This will no doubt improve with experience and maturity.

Other young players who performed well during the season were Swe Pang (232 runs at 15.47) our leading run scorer, Ben Keens (208 runs at 13.00 and 8 wickets at 28.63),

Matt "numbers" McInnes (201 runs at 16.75) and Ken Norris. Ben in particular rates a special mention for the wholehearted effort he put in week after week. If more players

had this same attitude then their performances may have been better.

Another player to perform well during the season was Murray Eastman. While not setting the world on fire with his batting, Murray's wicket keeping improved significantly during the season. Only a couple of lapses at various stages took the gloss away from what was a terrific effort. A bit more work on his batting (the potential is there) will see him pushing for a first grade spot in coming seasons.

One pleasing aspect was the number of players who graduated from seconds to the first grade side at some stage during the year. Matt, Bruce Hara, Tom Armstrong, Damien Whitelum, Nigel Webster all played in the side during the year. While the high turnover of players was at times disruptive (31 players played seconds during the year) the experienced gained by these players will assist them in the coming season.

Overall it was an enjoyable season, one in which we can all build on for the coming year. Hopefully all the young guys will be back next season setting their sights a little higher. The potential is there - it is just a matter of application and hard work.

3RD GRADE REPORT 1991/92 SEASON

The 91/92 season held hopes for a 3rd grade premiership with players keen to have some wins under the belt early in the season to aid us in the run up to the finals. Unfortunately a loss against Weston Creek in round 1 and a draw against Ginninderra seemed to set the tone for the rest of the season.

Third grade managed to win only one game during the season, finishing on the bottom of the competition ladder. Despite a disappointing finish, we had many games that were close and if not for a lack of runs on the board a few more would have been converted to wins.

One aspect of our game that was most gratifying from a captain's point of view was the overall commitment of the players. Many times during the season when the team was staring another defeat in the face, players seemed to perk up and continue to be observant and enjoy the game. There was the odd undisciplined act of course, but that was to be expected. Third graders should be proud of what they managed to achieved and the way they always showed level heads and good sense on the field. This point was shown in the game against South Canberra at Forestry Oval, where despite only scoring 120 or so runs, all batsmen kept a level head, concentrated and stuck to their guns. I must add, it was fantastic to see the generally dominant South Canberra team walking from the field looking somewhat humbled by a gritty Wests effort.. It is this determination that will see 3rd grade achieve great heights next season and in seasons to come.

But enough of captains spiel. A team consists of players, and 3rd grade had its fair share this season with a total of 42 different players taking the field for us. There were many fine and consistent performances during the season, many

players earning themselves a place in 2nd or 1st grade because of them.

With the bat, several players stand out. Tony Bailey batted superbly at the number 3 or 4 position with scores of 41, 40, 33 and 29 being one of the most consistent performers. Another, Stuart White was always entertaining and held up the middle order on many occasions. His best scores of 59, 45 and 36 showing him to be another 3rd grader destined for the higher grades.

Our middle order kept us going on more than one occasion and one player who always showed good form was David Piper. His innings of 64 n.o. against Tuggeranong was one of the best I've seen this year. A player who always gives his all under the most stressful situation is Geoff McKinnon. Geoff has held the opening spot in 3rd grade for several years and although he may be thinking differently always looked good. Runs on the board is one thing but to be able to be there to take the shine off the ball and frustrate and break the hearts of the opening bowlers is Geoff's forte. Frustration is the bowlers nick-name for Kinners, and we hope to see him back next season to try and get some games up on our Glen Croker, better known to us as Frog.

Consistency is the name of the game and one player who had the opening role and the tailender role was Mark Bradley. Scores of 25, 21 n.o.m 22 and 26 reflect his good concentration and determination.

There were many excellent cameo performances from players who were with us for 1 and 2 games only. Notably Andrew Armstrong 31 vs Ginninderra, Rick Bushell with 64 vs Ginninderra, Jim Mitchell with 46 vs Tuggeranong, Wes Stiller with 49 vs Canberra North/Daramalan and an extremely entertaining though sometimes bewildering 138 from Luke Healy in our last match against ANU (our only win for the season).

Third grade went through the season without a real strike opening bowler but that certainly doesn't take anything from our regular openers. This role was filled by Scott Bailey and Mark Bradley who faced some stiff opposition on some good batting tracks. At age 17, Scott Bailey showed great maturity as an opening bowler. With an ability to shake up opening batsmen with some good accurate fast bowling it was not surprising to see some good performances. 1/46 from 16 overs vs Canberra North/Daramalan, 1/23 from 17 overs vs Ginninderra, 3/62 from 20 overs and 2/47 from 15 overs both vs Queanbeyan showed that Scott has the discipline and character to be a great fast bowler for the club. Mark Bradley matched his consistency with the bat with some good performances with the ball. He was always dependable when it came to making a bowling change late in the day when all else seemed to have failed.

Two young bowlers that stood out during the season were Graeme Abel and Paul Broadbent. Graeme found a secure spot in 2nd grade towards the end of the season but had some mammoth bowling performances with 3rd grade. One which stands out was the game against Ginninderra where he bowled 27 overs and took 3/35. Never once can I remember Graeme being hit around the park. Paul Broadbent was one of the quickest bowlers we had in 3rd grade this year and he bowled well in every innings. Efforts of 0/34 from 16 overs vs Weston Creek and 2/23 from 5 overs against ANU don't reflect how well Paul bowled. Hopefully next year he will get the new ball for 3rd grade on more occasions.

One thing that 3rd grade lacked in the bowling department was a spinner. Some players took on the role, including myself, but the absence of a genuine spin bowler like Richard Johns shortened the options of bowling changes, especially at some critical stages.

Being a young club, naturally there were many young players coming through the ranks and trying to establish themselves

at the 3rd grade level. Players like Chris Evans, Andrew Lunt and Shaun Jones showed themselves to be outstanding talents and will be welcomed to the club as valuable assets for years to come, building the base for 2nd and 1st grade sides in the future.

There are many players that performed beyond ability and to mention them all would be an annual report in itself, but each and every player was a valuable and dependable member of the 3rd grade side for the season 91/92.

As this was my first year as captain, it was certainly a challenging and often frustrating time. But it was a learning experience for me and I was always keen to take the field with 3rd grade this year and you could expect this being the intermediate grade with players going up to reach new heights and players coming down to get back some much needed form with bat or ball. I hope next year that there will be a nucleus of say 6 to 8 players who can form a solid and disciplined core of 3rd grade. With the experience of older players and an abundance of young cricketing talent in the club, I'm sure that with the right amount of commitment and a gentle thump behind the ear when concentration drops, then 3rd grade can bring home a long and sadly missed Premiership.

I look forward to being involved with Threes next year and helping to build a committed and formidable side for years to come. Thanks to all 3rd grade players for such a good effort during the 91/92 season.

Chris Clapp
3rd Grade Captain 91/92

4TH GRADE CAPTAINS REPORT

As with every grade in Western Districts, 4th Grade were looking forward to a successful 1991-92 season. The man who had taken 4th's to many semi-finals, Jeff Clark, had decided to move on and play in higher grades as well as take on the thankless task of Chairman of Selectors. This left a rather daunting task for the incoming captain, as he had rather large shoe's and expectations to fill.

The 1st round was against Weston Creek, a side which would prove to be a bit of a thorn in the side for 4th's, at Majura Oval. With Wests batting first, not one batsman could make double figures and therefore were unable to score a respectable total and were all out for 45. Despite some tight bowling from David Pauly and Jason "I don't want to get out of bed" Dowling 45 was never enough to defend, and W.C.C.C declared at 7 for 91. After yet another shaky start Wests were able to hold on and be 7 for 169 at the end of the game, staving off any thoughts W.C.C.C had of an outright. The batting of one Andrew Armstrong (who would go onto 1st Grade) and a new comer to Wests Shaun "Suicidal Tendencies" Jones a highlight.

The 2nd round, and my first as captain saw us against C.N.D.C.C at Dickson. Winning the toss and batting again, 4th's struggled to score a respectable total. Some rear gaurd action by Steve Matthews (41) and Paul "B.D" Broadbent (21 n.o.) saved Wests and we were able to claw our way to 141. Having to bowl 10 overs to complete the first days play we got off to a great start when Paul "Pissy" Margrain was able to dislodge one of their openers without scoring. After a bit of lusty swinging C.N.D.C.C finished the day at 1 for 36. Alas the outcome will never be known as the second day was washed out after a heavy shower of automatic rain had the entire square (and square only) under water at the scheduled start of play.

The 3rd round was against G.C.C at Kippax 1. With the pitch looking more like the outfield as the lawn mower had obviously broken down Wests were inserted after losing the toss. With a bit more dedication with the bat we were able to make a respectable total of 169 on what was nothing more than a goat track with grass two inches long. The nuggetty Richard Wyche top scored with 48 from the opening position, although his calling and running between wickets could do with a lot of work. With 12 overs to bowl to end the first days' play Paul Broadbent was inspirational capturing 3 for 5 off 6 overs with G.C.C being 3 for 13 overnight. I must find out who G.C.C have as their mechanic as he was able to perform a miracle on the mower and enable G.C.C to mow the pitch so that there was next to no grass on the track and it was flat as a tack. With left armer Dai Jenkins capturing an early wicket on the second day we looked set to rap the game up early having them 4 for 38. But a 62 run partnership soon put an end to any thoughts of celebration and G.C.C went into tea at 5 for 123, needing only another 47 runs. But an awe inspiring spell of what I think was leg-spin bowling from David "Pogge" Piper saw G.C.C all out for 128 with Pogge collecting 4 for 11 off 5 overs. We'll never know if Pogge actually got any turn or not cause I can honestly say that not one of his 30 deliveries hit the deck, with David claiming that he had beaten the batsmen with flight and didn't need to turn the ball.

Again better batting saw 4th's amass another respectable total after being put in against T.V.C.C at O'Connor in the fourth round. Ian Shaw with a whirlwind 65 helped 4th's get to 184 at the end of our innings. T.V.C.C were never in the hunt when an outstanding spell of fast bowling from a new comer to W.D.C.C tore the heart out of the Tuggers batting. Justin "what speed limit" Kennedy in his first game for the club took 5 for 13 from 6 overs to demoralise Tuggers, being bundled out for 98. Pissy Margrain and Matt "I only just got home" Dunn chipped in with 3 and 2 wickets respectively. Showing obvious disappointment in his sides batting effort,

T.V.C.C Captain elected to field a second time, which in turn gave us some much needed batting time in the middle, no-one appreciated it more than Paul Broadbent who made a nicely compiled 72 before Tuggers decided to call it a day.

Queanbeyan proved to be a side you don't easily forget after we met them at M.Donohue in Round 5. After winning the toss and fielding we managed to dismiss Q.C.C for 156. Paul Margrain was by far the pick of the bowlers capturing 3 for 19 with Dai Jenkins also capturing 3 wickets. After getting off to a solid start the undisciplined batting of earlier rounds came back to haunt Wests. After losing 8 wickets for 70 runs, and finding out from the Q.C.C slips fieldsmen that Rick Bushells' parents weren't really married when he was born and that Steve "I can't run three" Matthews looked remarkably like the female genitalia all looked lost. But Steve really guts it out to remain 68 not out as we scrambled to be 9 for 162. After all, how can I make a runout decision if the fielder stands in my line of sight.

With round 6 being washed out, we met a strong ANU line up at O'Connor in Round 7, the first of the one day games. In some what of a form reversal it was our bowling which was more than disappointing. In a total of 175 that ANU made we bowled 19 wides and dropped 3 catches. After starting our innings, we were interrupted by rain. The game was shortened by one hour which meant we needed a total of 123 off 35 overs. Alas the strong bowling line up of ANU proved too good for us, although we were never far off the required run rate, we also lost wickets far too quickly. Only Dave Burge with 28 and Dave "Crazy" Proebstel with 37 put up any resistance.

Again Round 8 was rain affected when we met W.C.C.C in another one day match. From 40 overs Wests made 9 for 132 with Trevor "Puss Arm" Clark batting very well for 61. With a slow start and things not going our way W.C.C.C. only needed 30 overs and the loss of 4 wickets to pass our total.

A shining light being Paul Margrains figures of 3 for 11 from 8 overs.

The next one dayer, Round 9, was against C.N.D.C.C. at Dickson. After winning the toss and fielding C.N.D.C.C. got away to a solid but slow start being 0 for 50. Then the game turned around with Justin Kennedy starting the ball rolling with a direct hit run out from fine leg. Then Mr Versatility "Crazy" showed that there was nothing he couldn't do by destroying the batting by capturing 6 for 32 from 10 overs. Although there were a few deliveries which bounced twice on the track, to get 6 wickets in any game is a marvellous feat. C.N.D.C.C. were all out for 119 in 32 overs, in reply our weak link, batting, reared it's ugly head and at one stage we were 4 for 37, then the man of the moment "Crazy" started to flex his muscles. With the aid of Gary "Who's shout is it" Lacey and Steve Matthews we then cruised past their total with the loss of 6 wickets with Crazy remaining 41 n.o. That wasn't the end Crazy's feats that day as he made a fine job of the Mug-of-the-day Award and then impressed people at a party later that night by impersonating Ken Done by painting himself in quite nice colours.

Round 10 was also a one dayer when Wests met G.C.C. at Kippax. After being sent in some disciplined batting saw us at 7 for 194 after 50 overs. Again Crazy and Steve Matthews showed their worth with 40 and 32 n.o. respectively but just about all batsmen got a start which was promising. In reply once again the bowling attack of Wests 4th Grade showed it's strength by not letting G.C.C. in the game at any stage. Although they did make 110 it was only the fact that the bowlers relaxed a little towards the end that allowed G.C.C. to score the eventual total. Again Crazy Proebstel lead the way with 3 wickets just about all bowlers taking 1 or 2 wickets. All up a very promising sign of things to come.

Round 11 saw Wests travel to North Cooma to meet T.V.C.C at Chisholm 2. With rain falling during the week and the

automatic sprinklers coming on Friday evening the outcome of the toss would have a great bearing on the outcome of the game. Luckily I called correctly and we sent T.V.C.C. in to bat. A fine display of quick left arm bowling, aided by a track that was doing quite a lot, from Dai Jenkins destroyed any chance T.V.C.C. had of trying to at least last out the day's play let alone score a decent total. T.V.C.C. were dismissed for 71 off 45 overs with Dai Jenkins taking 5 for 18 from 16 overs. The sad part being that because of the softness of the pitch and the surrounding square, Dai fell over in his follow through and tore the ligaments in his ankle. This would be the last game of the 1991-92 season for Dai, and a loss that Wests 4th Grade would feel later down the track. With looming storm clouds and the chance that the second day would be washed out we decided to try and get a first innings lead just in case. With the pitch still soft and aiding the bowlers Trevor Clark took the bit between his teeth and made a match winning 48 as we went to 4 for 91 securing first innings points, something that no other 4th Grade side was able to do in Round 11 as the second days' play was abandoned.

Our second meeting with Queanbeyan in Round 12 is a game in which if you took part, you would not forget. Besides the fact that they didn't have enough players to declare a side until 1.27pm, it also showed up a weakness in 4th Grades ability to bowl to a "Slogger". In a total of 203, Q.C.C. only had two batsmen of note and both of them were in the above mentioned category. We also learned the Queanbeyan interpretation of umpiring with Jeff Clark bowling his right arm slow looping things, a very confident appeal for LBW was turned down, when asked why the umpire (Q.C.C. player) said because it pitched just outside off stump. When asked where would the ball have hit if it had missed the batsmans' pad, he then replied "Middle Stump". The Wests batting slumped to an all time low in reply. In a total of 124 only myself, Steve Matthews and Paul Broadbent could manage double figures. A top score of 36 from 124 certainly shows that our

minds were not on the job at hand, with Q.C.C. wanting to call it a day early, I decided that we needed the bowling and fielding practice so we continued the game with Q.C.C. finishing at 6 for 118 at the end of the day. It was during this game that I learnt a few new swear words and took note that the W.D.C.C. book of cricket etiquette and the Q.C.C. book of cricket etiquette were worlds apart. The old Easts cricket club seemed like choir boys compared to Queanbeyan.

In what was to be the most pleasing game of my short captaining career we met S.C.C.C. at O'Connor in Round 13. After winning the toss we finally showed that batting discipline and ability that I knew lurked within Wests' 4th Grade. We declared half an hour into the second day at 4 for 263 with scores of 49, 50, 53, 22 and 68 n.o. gracing the score book. With a little more experience than I had on that day maybe an earlier declaration may have seen us bowling towards the end of day one, but the decision stood and we had to bowl them out, surprisingly they did not shut up shop but in fact had a bit of a go at the total in front of them. Paul Broadbent proved again his all round ability by following his 50 with the bat with 4 for 22 from 13 overs. Although the last of 3 wickets were slow in the getting we bundled S.C.C.C. out for 114, the most impressive win of the season thus far.

In the final round, Round 14, we met the side that stood between us and second spot, ANU at ANU North. After winning the toss and bowling I started to wonder if I had made the correct decision when they raced to 35 runs from 5 overs. I don't think Crazy Proebstel will ever miss a catch like he did that day, but we were lucky that we got ourselves into a position where we could look back and laugh at the incident, and not look back and cry. ANU stumbled to be all out for 100 with Paul Broadbent showing why I and the team expected so much of him when he had the ball in his hands, by returning the figures of 4 for 11 overs. A lost legend Tanvir Haque also chipped in with 3 wickets, making you

wonder what he could do if fully fit. In reply again we got ourselves in some early trouble, but Crazy, myself and Trevor Clark put together partnerships that saw us pass the ANU total for the loss of only 3 wickets. I still reckon there was a single in it Crazy.

The goal of obtaining second spot was ours. In the semi-final we were to meet a much improved C.N.D.C.C. at Reid. The reason that they had improved so much was evident when reading some of the names in the declared team. Some of the players had not played much 4th Grade because of their 2nd Grade duties, but that was a hurdle we would have to jump. Although he's not a pretty sight first thing in the morning, Paul Margrain showed that my decision to bowl first was a correct one. Pissy returned the figures of 4 for 37 from 16 overs as we bowled C.N.D.C.C. out for 177. Although our batting had finally realised it's own ability in the games leading up to the semi, 177 in a semi-final would not be easy. With openers Gary Lacey and Jeff Clark on fire, it seemed that we would pass the total within 20 overs. Then the game changed for the worse with the loss of 3 quick wickets, 2 of them in succession. We ended the day at 3 for 74, with C.N.D.C.C. captain on a hat-trick. The man for all occasions, B.D. Broadbent would prove to be the man for the job, not only did he see off the hat-trick but he also finished the day 68 n.o. as we cruised to 4 for 179 and a date with Weston Creek in the final.

With the wisdom of hind sight, and the lesser effect of nerves, perhaps the outcome of the final could have been different. We were fairly young, except for Piper and Lacey, we were very keen and most importantly, we pulled up very short in the experience stakes when it came to finals. We were playing the defending premiers, a side that had only lost one game all season, a side who had won the one day competition and a side that finished 11 points clear at the top of the table. There was one thing I was sure of coming into the final, that no matter what happened during those two

days we had to force the pace and we had to be the ones controlling whatever went on in that game.

We won the toss and bowled knowing that if we could knock them over early for a cheap total, our batsmen were in good enough form to score the required runs. Unfortunately our inability to bowl a "Slogger" showed with W.C.C.C. being 82 before they lost their first wicket. From that point on the game turned for the better for us as we took their remaining 9 wickets for 107. Once again Paul Broadbent showed why he was without doubt our best bowler by returning the figures of 6 for 34 from 25 overs. I would say that towards the end of the day Paul was bowling by memory but since I've noticed that he's not very good when it comes to thinking, I'd say that he was bowling on sheer guts. To dismiss the defending premiers for less than 200 not only gave me great delight but I also thought it would perhaps give us a slight psychological advantage. But alas this was not to be as W.C.C.C. showed why they had been the team to beat all year as they persisted with a nagging line and length that would prove to be too constant for our batsmen. They in fact won the psychological war in the fact that whenever a loose ball did present itself to them it was inevitably hit to a W.C.C.C. fielder. We battled valiantly to make 147 but unfortunately were not good enough on the day. I scratched out an unimpressive 45 with Steve Matthews again showing his worth with a crowd pleasing 39.

I wish to thank everyone who played 4th Grade with Wests in the 1991-92 season for making it by far the best season of cricket I have enjoyed for a long time. With the old heads of Pud and Gary Lacey, the knowledge of Jeff Clark and the enthusiasm of such players as Crazy Proebstel and Trevor Clark my job as captain was not as harder task as people might have thought. With the Shaun Jones', the Justin Kennedys' and obviously the Paul Broadbents of Wests cricket, we are in for a very bright future. From here we can only go up. No longer do we have the excuse that we are too young or

lack the necessary experience, we now have that experience so all that is left is for us to show our worth. Again thanks to all involved with Wests 4th Grade and here's hoping that the seasons to come are just as rewarding , if not more so than the one just gone.

Regards,

Captain Cranky

Jonny Fuller

5TH GRADE REPORT 1991/92 SEASON

Whilst the 5th Grade finished at the bottom or close to the bottom of the table I felt that the side performed creditably. Towards the end of the season the side was playing good cricket and had an impact upon the final four.

During the season we won two games on the first innings and drew three games. Whilst we were badly beaten on several occasions, no side beat us outright.

It was of interest that both sides that played in the final were fully pushed by us and with a bit of luck would have been beaten by us.

During the year we had 40 players play for the 5th grade. As a consequence it was difficult to develop any cohesion or team identity.

There were several players who contributed well to the side throughout the year. They were Brett Daly, Dave Cummins, Peter Wyche, Brendan Bourke and Dave Pauly. Towards the end of the season we had a more stable side and a number of good players were available who enabled the side to be more competitive. Players like Chris Winning, Rob Clark, Glen Croker, Andrew Butcher, Andy Cuming and Wayne Pearce all contributed to the sides performance.

We had two centuries scored during the season. Dave Proebstel and Wayne Pearce. Both were excellent scores and gave the side a lot of confidence. Other players contributed scores of over 50 but we really had not one batsman who consistently scored runs.

Our bowling lacked penetration for much of the season. Rob Clark bowled well and turned in several good performances.

Andrew Butcher bowled quick and provided us with a spearhead. Unfortunately for the 5th Grade he moved up to 3rd Grade.

Overall, I felt that the side performed well. It was a competitive side for most of the season and towards the end was learning how to play as a team, exert pressure and win.

R J Eddington
