OFFICE BEARERS AND OFFICERS 1979-80

PATRON : Mr Ken Fry, MP

PRESIDENT : G.W. Gelding

SENIOR VICE PRESIDENT : R.J. Rogers

SENIOR VICE PRESIDENT (JUNIORS) : G.P. Walsh

VICE PRESIDENTS : A.J. Casey, D.G. Coley, B.G. Dockrill,
F.W. Eade, H.P. Harris, B.D. Lindemeyer,
P.F. Rudge, A. Sadler, S.E. Smith,
S.V. Smith

HONORARY SECRETARY : P.D. Murray

HONORARY TREASURER : G.P. Garrity

HONORARY ASSISTANT SECRETARY : A.E. Grigg

HONORARY ASSISTANT TREASURER : A.R. MacDonald

MANAGEMENT COMMITTEE : P. Bradley, G. Bush, A.T. Irvine,
I. Macleod, S. Marshall, A. O'Connor

JUNIORS COMMITTEE : Ms J. Coley, N. Creem, J. Graham,
T. Hudson, G.P. Walsh

CHAIRMAN OF SELECTORS : R.J. Rogers

PROVISIONAL SELECTION COMMITTEE : B.G. Andrews, A.R. MacDonald, R.J. Rogers

SELECTION COMMITTEES

First Grade : A.T. Irvine, G.P. Garrity, R.J. Rogers

Second Grade : G.P. Garrity, S.E. Smith, R.J. Rogers

Third Grade : B.S. Peacock, R.J. Rogers, S.E. Smith

Fourth Grade : P.D. Murray, B.S. Peacock, R.J. Rogers

KIT COMMITTEE : G. Beacroft, A.E. Grigg, T. Hudson,
R.J. Rogers

SOCIAL COMMITTEE : G. Beacroft, G. Bush, G.W. Gelding,
A.R. MacDonald

ACTCA DELEGATES : G.W. Gelding, A. Grigg, P.D. Murray,
R.J. Rogers

HONORARY AUDITOR : M.H. Marshall

FROM THE PRESIDENT

Gentlemen,

I am pleased and privileged to be able to preface this Eleventh Annual Report of the Club with my fifth Presidential oration, embracing the 1979/80 season - one of mixed success on and off the field for the Westies and, in many respects, a season which could shape the destiny of A.C.T. cricket for years to come.

As a rare gesture of respect for the office of President and his lack of ability as a typist, much of what I intended to discuss in my report has been covered in the Management Committee report further forward. I commend for your serious consideration the issues raised in that report. A.C.T. cricket is now in a delicate state of development and a concerted effort, particularly at District Club level, is required if A.C.T. cricket is to move forward in the 80s.

As I look back over 1979/80, I reflect on the disappointments for Wests in not perhaps achieving the glories on the field of previous years, and at the same time retain that sense of pride in knowing that the Westies continue to make a positive contribution to the many facets of A.C.T. cricket. It was a noteworthy season in many ways for the Club. Having lost several key players at the start of the season, and gained valuable new blood, it was a season for melding youth and experience, the results of which I am sure will be reflected in the seasons ahead. It is also pleasing to note the contributions made by former Westies to the development of cricket in Canberra through other District Clubs. It is gratifying to know that, despite a change of Clubs, most of our former members are still Westies "deep down" and retain that sense of fellowship and camaraderie with the "old Club". We would not have it otherwise.

I would like to thank those Westies who contributed to the running of the Club over the season. Unfortunately, while the playing responsibilities in a Club are generally spread evenly, the administrative burdens are generally shared by too few. This should not be so. The success of a Club is not measured simply by the "bank balance" principle, but by the contributions made by Club members generally. If the allocation of responsibilities is shared widely within a Club, the lighter is the load on each Club member. I sincerely thank the significant efforts of Peter

Murray, Russell Rogers, Gerald Garrity, Graham Bush, Sid Smith and Barry Peacock in their respective areas of endeavour over the season. There were also other notable contributions from several Westies for which I extend my thanks. I hope we will see a greater all-round effort next season to ensure we continue to remain a force to be reckoned with in Canberra cricket.

Once again I extend our grateful appreciation to the Board of Directors and Management of Wests Club Inc for their generous financial and material support to the Western District Cricket Club. The Club Inc has now accepted 14 affiliated Wests sporting Clubs, in line with its policy to ensure that Wests remain the top sporting and social community Club in the A.C.T. I have been proud to have been on the Board of Club Inc over the last two years and, with your support, hope to continue making a contribution to the affairs of Club Inc.

The Club was delighted to again win the South British Insurance Trophy for the junior cricket club championship. With 19 junior teams contesting competition in the under 10's to 16's, the Club was well served by promising youth and dedicated management. I thank Gerry Walsh and his team of junior officials for their untiring efforts in guiding the Club through to its championship success. We must not lose sight of the importance of a strong junior club and it is heartening to note the emerging contributions being made in the senior grades by our younger brigade. It is probably true to say that Wests is represented in the senior competition by more younger members than most other district Clubs. This is a healthy sign and must not be allowed to diminish where talent is involved.

We finally notched up a win in the East Canberra Twilight competition and I congratulate Tony Irvine and his side for a great win. I also commend the Weston Creek side for a brave showing in their initial first grade season. I am sure Wayne Boardman's experience in this competition was of considerable benefit to the team and the improved showing this season will hold us in good stead for next season's competition.

You will read in the Management Committee report about its views on the new ten team competition introduced this season. Whatever your views are on the desirability of ten verses eight team competition, I could not help but detect certain disquieting developments in Canberra cricket over the season, which I believe largely reflect our inability to service a

strong ten team competition in four grades. While I fully appreciate the claims put forward by the two new Clubs, Ginninderra and Weston Creek, I am not convinced these claims were all realised for the betterment of A.C.T. cricket. The season witnessed many difficulties with:

- . sub-standard pitches,
- . shortages of qualified umpires,
- . an upsurge in inter-club bitterness, due to lack of a mature and cooperative spirit between certain Clubs,
- . the continuing absence of thoughtful debate by Club delegates at ACTCA meetings,
- . the shortage of high standard grounds and pitches.

It is to be hoped that these difficulties will be overcome next season, although the prospects are not bright, particularly on the question of grounds. Next season the A.C.T. will be playing two international games against India and New Zealand. It is vital that the local competition be strong in all respects, otherwise we can never hope to succeed in our own right as a cricketing force. For the last few seasons, Wests have prepared pitches at O'Connor and Aranda. This has saved the Club considerable financial outlay and helped, where conditions permitted, to provide the best possible pitches for many of our matches. We must work to maintain this effort in the interests of better cricket and a stronger Club. I believe our new synthetic practice pitches contributed measurably to better practice conditions, although the dedication to practice by many club members reflected a lack of a disciplined approach to practice - this may have been reflected in our results on the field.

Next season it is to be hoped we can appoint an official Club coach, to coordinate all the Club's coaching activities in the junior and senior ranks. While the Club has been fortunate to have an abundance of coaching talent over the years, this talent needs to be brought together as a focus on the development of Wests' cricketing talent. While our Club policy has been not to make financial payments to Club members to play cricket, this policy may need to be relaxed in regard to coaching. I would ask that you consider this aspect of our affairs with the care it deserves.

Last year I voiced my concern over the increasing costs of playing cricket and my concern has not abated. Wests recently submitted a proposal to the ACTCA in an attempt to seek to overcome the lack of forward budgetary

planning and ad hoc expenditure patterns by the ACTCA. I also submitted a proposal to the Executive Committee designed to give greater emphasis to the promotion and financing of cricket by the ACTCA - and relieving some of the pressure on the financial demands placed on the district clubs. Let us hope we make some progress on this rather neglected side of A.C.T. cricket.

Finally, I would make a plea to all members and intending members in regard to the Annual General Meeting and the election of office bearers and officers. It is essential that all positions be filled at the AGM and I am sure I can count on YOUR support for next season - remember, a little work for everyone is much better than too much work for too few. Let us combine together to strengthen the fibre of the Club through greater general interest and support. The resultant success makes it all worthwhile.

I look forward to seeing you at the Annual General Meeting and wish everyone the best of successes in 1980/81. Let's make it the "Year of the Lion"!

Good cricketing,

Geoffrey W. Gelding
President

REPORT OF THE MANAGEMENT COMMITTEE

Gentlemen,

The Club enjoyed a successful season although not quite reaching the heights of the previous season. The winning of the East Canberra Twilight Competition was undoubtedly the highlight on the playing field. The first and second grade teams qualified for the semi-finals; the seconds winning the minor premiership for the second year in a row. The Club finished third in the Club Championship. Off the field, the Club enjoyed one of its best seasons with a number of social functions and barbecues culminating in the annual Presentation Night.

After much discussion and debate, the A.C.T. Cricket Association decided to revoke its decision on the admission of new clubs before 1985/86 and to provisionally admit Ginninderra and Weston Creek Clubs to all four grade competitions. This meant an increase to ten teams in all grades and resulted in problems in playing strengths, shortages of umpires and most noticeably, lack of suitable turf wickets for grade cricket.

The Club decided to oppose the concept of a ten team competition as such. It could see no substantial evidence offered to indicate that the A.C.T. could sustain ten first grade teams or ten teams in all grades of cricket. It drew attention to the study undertaken by the A.C.T.C.A. Independent Arbiter which recommended eight clubs based on district boundaries (abolished for season 1978/79).

At the start of the season the A.C.T. Cricket Association organised Rothmans Coaching Courses and an Umpires Course. Despite canvassing within the junior and senior club very few members made the effort to attend and pass the relevant examinations. The Association must be supported in its endeavours to promote cricket and there is a need for much greater involvement by members in these ventures.

The conduct of the competitions again saw only 13 matches originally scheduled (a further match was later added) which precluded two full rounds. Further consideration needs to be given to play on the Australia Day weekend (originally omitted and later added) and the Canberra Day holiday. The A.C.T.C.A. and the Grade Committee saw fit, during the season, to take a strong stand on misconduct by players on the field. A number of suspensions were imposed and a strong circular issued in March stated that

players found guilty of abusing umpires would be automatically suspended for two matches. The Club supports this stand and urges all members to take note of the circular in 1980/81.

During the course of the season, certain irregularities in the Competition Rules were brought to notice. The Grade Committee decided under Rule 9(b) not to grant permission for a player to register with another club as it was unable to determine what were "exceptional circumstances". The Grade Committee also decided under Rule 10(a) to grant permission for players joining clubs late in the season to be eligible for semi-finals. With the major revision of the Laws of Cricket for 1980/81 and the need to revise the Rules, the A.C.T.C.A. has formed a committee to report and recommend changes.

In April the A.C.T.C.A. adopted a new Constitution and By-Laws which are intended to update and improve the method of operation of the Association. Some changes of interest include a reduction in the number of delegates and voting members of the Association, the creation of a Chairman of the Executive and a restructured Cricket Committee with wider powers of control of the competitions.

The Club was fortunate to be represented on the A.C.T.C.A. Executive Committee (Geoff Gelding) and the Grade Committee (Peter Murray). While these persons act in their own right, the contribution to cricket administration is notable and reflects on the Club. All members of the Club should consider their availability each season not only for positions on the Club administration, but also that of the Association.

As mentioned in the Tenth Annual Report, the Department of the Capital Territory at the start of the season, erected two new practice wickets, improved netting and one synthetic wicket surface at Aranda Oval. With the generous financial assistance of the Western District Rugby Union Club Inc., the Club laid a second synthetic wicket surface. Consideration needs to be given to whether a third wicket should be constructed.

The Cricket Club was extremely grateful to the Western District Rugby Union Club Inc, its Board, staff and members who assisted this Club financially, provided facilities for functions and supported the first grade team at major matches. The Club needs to consider in plans for 1980/81 how to utilise and support the sponsorship arrangements of the

Club Inc. and to strengthen the relationships made to date.

As has been the case in recent annual reports, the preparation of centre wickets again caused problems. There were never enough workers to put the time needed into adequate preparation. With the decline in the standards of turf wickets and their future availability, the Club must meet its obligations in the preparation of wickets.

At the start of the season, Belconnen Toyland Women's Cricket Club approached the Club seeking a form of affiliation. The Women's Club were mainly seeking coaching assistance, and when possible help was provided by Andy MacDonald. In view of the increased affiliations with the Western District Rugby Union Club Inc, there may be a place for the Women's Club to come under the Wests banner in their own right. Consideration should be given to a strengthening of the relations between the two cricket clubs.

Some of the major fund raising activities undertaken were meat raffles, drink stalls and a silver circle. There was a lack of assistance for the conduct of the weekly meat raffles and although a regular fund raiser, unless more members assist, the conduct of the raffles may have to be relinquished. Drink stalls at the major representative cricket matches in January raised about \$700 and proved very successful. However, the manpower was provided by very few members. The silver circle conducted late in the season resulted in substantial funds for the Club, although the canvassing of tickets was undertaken by few members.

The Committee congratulates the following members who received Club awards for 1979/80 (qualification for averages - half the matches; 200 runs or 20 wickets).

First Grade	:	Russell Rogers	(Batting)
		Andy MacDonald	(Bowling)
Second Grade	:	Geoff Gelding	(Batting)
		Gerry Garrity	(Bowling)
Third Grade	:	Sid Smith	(Batting)
		Mick Hromow	(Bowling)
Fourth Grade	:	Barry Peacock	(Batting)
		Barry Peacock	(Bowling)

Club Sticker Award (Peter Rudge Trophy)	:	Peter Murray
Most Improved Player (C.B.C. Bank Trophy)	:	Steve Bryant
Club Champion Award (Ken Fry Trophy)	:	Barry Peacock
Most Runs for Club	:	Tony Irvine
Most Wickets for Club	:	Gerry Garrity

Congratulations to the following members who achieved representative honours during the season:

A.C.T. Senior Teams (including composite sides)	:	Tony Irvine, Russell Rogers, Andy MacDonald, Terry Khan.
A.C.T. Colts Team	:	Greg Beacroft
A.C.T. Schoolboys Team	:	David Garrity

The Committee expresses its appreciation to the following people and organisations for their efforts and assistance in the course of the cricket season:

The President, Secretary and Office Bearers of the A.C.T. Cricket Association	:	for their promotion, management and organisation of cricket at all levels.
Western District Rugby Union Club Inc. including its Office Bearers and members	:	for their financial support, for attendance at matches and functions, for meeting facilities and for after-match conviviais.
East Canberra Cricket Club	:	for their organisation, promotion and prizemoney in the Twilight Competition.
Messrs Bush, Rogers, Gelding Boardman	:	for regular organisation of Friday Night Meat Raffles.
Messrs Gelding, Smith, Peacock Marshall, Rogers	:	for wicket preparation.
<u>The Canberra Times</u> and Keith Hill	:	for coverage of results.
Umpires	:	for a job well done.
Junior Coaches and Managers	:	for service to junior members.
West's Ladies	:	for afternoon teas and support during the season.

Peter Murray
Hon Secretary
for the Management Committee

JUNIOR COMMITTEE REPORT

The Juniors crowned a most successful cricket season by winning five premierships and the coveted club championship trophy for the second time in four seasons.

West's, second largest junior club in the competition, again fielded nineteen teams in all age groups from Under 10 to Under 16 and was one of the few clubs able and willing to field a first division side in each age group. Of the nineteen teams, sixteen made the semi-finals, nine the finals and five from the Under 10, 11 and 12 age groups won their premierships - this was two more premierships than our nearest rivals, St Edmunds, Queanbeyan and Ginninderra. Unfortunately and unlike last year, we failed to win a first division trophy but we went close: the Under 10 (I) team were very unlucky to be narrowly beaten in the final after winning seventeen out of eighteen matches in the rounds. While the wins were pleasing they are by no means the only criterion for measuring the success of a season. Of paramount importance is the enjoyment and development of cricket skills and confidence and it gives me great pleasure to report that all teams enjoyed the challenges, functioned happily and that many boys showed great improvement. Congratulations to all the boys who played the game wholeheartedly to win but nevertheless played it as a sport which is cricket in the fullest meaning of the term.

The major initiative adopted by the Club during the season was the cricket nursery for boys under 8 conducted by Gerald Garrity. Gerry devised a special and enjoyable programme covering the basic skills and from the appreciation expressed by some of the parents of the twelve boys who took part, the nursery was a great success and will be continued.

The Club, blessed with a fine complement of enthusiastic and hardworking coaches and managers, functioned harmoniously at all times. Thank you all. Thanks and congratulations are especially due to the age group coordinators, Arthur O'Sullivan, Terry Hudson, John Cosgrave, Mike Howell, Bill Mandle and Tim Healy for a job well done. I especially wish to thank Terry Hudson for the fine job he has done over the past five years as Kit Officer. Terry's expertise, courtesy and helpfulness at all times in this key position contributed greatly to the efficiency and success of the Club. Well done, Terry.

Finally, on behalf of the Junior Club, I would like to thank immediate past Chairman, Dennis Coley and Joan Coley for their dedicated work for the Club over the years.

*Gerald Walsh
Senior Vice-President
Juniors*

TREASURER'S REPORT

As with most organisations, keeping a cricket club economically viable is difficult during times of an inflationary spiral. It is therefore extremely pleasing to comment on the financial statements for the season completed, because it has been a period of progress indicating sound control exercised by the Management Committee.

Subscription rates for the Juniors remained unaltered from the previous year while there was an appreciable reduction in the Seniors' rates. In this latter regard, a new system was accepted by members at last year's Annual General Meeting whereby payment in early October attracted a lower rate. Subscription rates set, for wage earners \$50, and non-wage earners \$15, were accepted as full payment. This represented a decrease in the rates of \$65 and \$25 respectively which had been in operation for the past three seasons. A surcharge applied for payments beyond a stipulated date. It is reported that most players took advantage of the discount arrangement offered.

Though the Income and Expenditure Account specifies items relating to Juniors and Seniors, no absolute dissection has been made but of the surplus of \$1,905, the bulk is attributable to the Senior section of the Club. The efforts of a few stalwarts in manning the stalls at representative fixtures and selling weekly raffle tickets cannot be too highly stressed. Income derived from these sources effectively meant that subscription rates were \$25 less than they otherwise would have been. All members should be appreciative of the efforts of the hardworking "few".

The task of preparing wickets has always proved a challenging one, particularly as so few members share this lot. It would be so much easier to revert to the old methods of having the Department prepare the wickets though such might be unlikely to be permitted in the current climate if the Club hoped to retain both grounds. Analysis of the accounts reveals that by so preparing these wickets, the Club is \$1,230 better off and so the plea to members to assist in 1980/81 is again raised and hopefully it will fall on more receptive ears.

A significant boost to the Club's funds came about with the first grade side winning the Twilight Competition. The budget set at the beginning of the season required an amount of \$750 to be raised over and above

subscriptions, stalls proceeds and weekly raffles. The receipt of the proceeds of the Twilight Competition substituted for this and consequently moneys raised from the 100 Club were used to subsidise the Presentation Night by \$10.00 per double.

At the time of preparing this report, it would seem that provided the Club decides to continue with the up-keep of the O'Connor and Aranda wickets, fees for 1980/81 should amount to much the same as in the current season.

Gerald Garrity
Honorary Treasurer

AUDITOR'S REPORT

I have examined the above Balance Sheet as at 30 April 1980, and the attached Income and Expenditure Account for the 11 months then ended, for the Western District Cricket Club.

In my opinion the accounts are properly drawn up so as to exhibit a true and fair view of the financial position of the club according to the information at my disposal and the explanations given to me.

M. H. Marshall A.A.S.A., B.A.
Honorary Auditor
18th June, 1980.

FIRST GRADE

1979-80 was a year of mixed blessings for the first grade side. A win in the Twilight Competition gave us high hopes for the Premiership, but unfortunately we could manage only fourth place when we lost the Semi-Final against Ginninderra. It was a disappointing end to the season, especially as we were defending Premiers, but it is pertinent to remember that we lost five first grade players from last season's team - a loss no side could easily overcome. In spite of this, I believe Wests were the equal of any side in the competition (in fact, we beat each side at least once except the eventual Premiers, Norths). Unfortunately, we lost a couple of crucial tosses in the one-day games, and did not play as well as we should have in the last two vital games. Our final record of eight wins, four losses and two draws was not a true indication of the strength of the team.

Throughout the season, our batting was probably the best of any side in the competition. This did cause some problems for the late order batsmen who frequently had to sacrifice their innings for the sake of quick runs, or who were forced into grim defence on the occasions when the top order failed. The fact that they did so without complaint speaks volumes for their team spirit.

The bowling this season was steady without ever being spectacular. Too often we failed to press home the advantages gained from early breakthroughs. Some of the blame for this can be laid to fielding lapses, especially close to the wicket.

The opening batting positions were a little unsettled with only Steve Marshall opening in all games. Steve was a reliable performer all year and his application, notably against Easts where he scored 56, was pleasing. Terry Khan continued his great form from last season and became not only Wests, but also the A.C.T.'s, regular opener. The fact that Terry was able to successfully adapt his batting to any position from number 1 to number 6 is testimony to his technique and determination. His 83 not out against Ginninderra in the Semi-Final was a model of concentration and gave us a fighting chance in that game.

David O'Neill opened for three games and was beginning to show some form when he left on an overseas trip. Barry Andrews also opened on

occasions as well as batting down the order, but lack of opportunity restricted his performances. Barry showed he was always prepared to put the interests of the team first and lost his wicket a few times when asked to chance his arm and chase runs in a hurry.

Greg Beacroft batted most of the season as number 3 after missing early games through injury, and although he began with a flourish, scoring a magnificent 97 against University, he failed to live up to his early promise. This was due, I believe, to him "freezing up" and not playing his usual punishing game. Greg was, however, in his element in the Twilight competition, where his natural aggression proved to be a tremendous asset. Bowlers found it impossible to bowl to him, and this, combined with his useful bowling and fielding made him a popular recipient of the Player of the Year for that competition. Greg will be leaving this year and on behalf of the Club I would like to take the opportunity to wish him well for the future.

At numbers 4 and 5, Tony Irvine and Russell Rogers both had successful seasons, scoring over 470 runs each. The highlight was their partnership of 165 against Weston Creek. Russell's batting improved markedly this year. He is a great opportunist and a marvellous improviser, qualities which make him the finest hitter of loose balls in Canberra. His close to the wicket fielding was also a great asset.

The lower order batting suffered from a dearth of opportunity but all stuck manfully to the task and often produced the goods when needed. Glenn Croker is a young player with a lot of potential, and an excellent field. His 29 against South Woden was his best score, and I expect him to benefit from the experience gained this year to score more runs next season. Glenn was a more than useful player in the Twilight competition with his aggressive batting and fielding and his tight bowling.

Graham Bush proved to be not only a good leggie, but a very handy middle to late order batsman, combining a good defence with hard hitting. His 190 runs at around 21 was great value from a number 7, the highlight being his gutsy 53 not out against Woden.

Wayne Boardman struggled for runs this season but too often had to sacrifice his innings chasing runs. Wayne showed his true form in the Twilight Final when he hit about 20 off the last over.

The wicket-keeping duties were capably performed by Chris Reardon. Chris showed some form with the bat, his gritty 18 not out in a match winning partnership of 70 with Graham Bush against Woden being his best performance.

On the bowling side, newcomer Graham Bush was our most successful bowler with 44 wickets. Although sometimes expensive, Graham has the ability to bowl sides out and is a fine fieldsman as well as a great Club man.

The opening bowling duties were the province of Andy MacDonald and Wayne Boardman. Andy, although erratic at times, had quite a good season with 32 wickets at 15, and bowled superbly on occasions. His best effort was 4/30 against Ginninderra. Like Andy, Wayne too often had to bowl on dry, dusty wickets but when given a pitch which suited him, such as Deakin, he bowled very well indeed.

Terry Khan gave great support with his tight off-spinners, but he must be prepared to give the ball a little more air. Terry's nagging length and accuracy undoubtedly helped the other bowlers pick up wickets, as did his fine fielding. His 4/43 in the Semi-Final against Ginninderra completed a fine all-round performance for Terry in that game and underlined his value to the side.

In conclusion, I would like to express my appreciation to Wayne Boardman for his help and excellent advice as Vice-Captain, to Russell Rogers and Gerry Garrity for their work with selections, to the ladies who helped with afternoon teas, and finally, and most importantly, to all the members of the team for their support and camaraderie.

SECOND GRADE

The opening of the season contained somewhat of an air of intrigue as ten rather than the normal eight clubs participated in the first and second grade competition. Allowing for the normal number of newcomers to Canberra cricket, some 40 players who would otherwise have found permanent places in third grade participated in the second grade competition, with these new players distributed fairly evenly amongst all ten clubs.

It was anticipated that the standard would be lower than in previous years and this proved to be so. Our own side took on a new look having only one player from the premiership side of two seasons ago and only four from the previous year's finalist team in the Wests lineup for the first game.

Of the twelve players who won places over the last few rounds, six were either still attending or had been at school in the last two years. The Club can be well pleased in having such an array of promising players hopefully available for future seasons.

One of the big weaknesses in the team was the failure of the side to get away to good starts - the highest opening partnership for the entire season being 42. Several players were tried, Alan Grigg having some success with his aggressive style. Several times he paved the way for later batsmen to carry on with the job. David O'Neill, on his return from overseas, opened in the last five games and probably proved the soundest batsman in the team, though he failed to produce one sizeable score. Two players from last year's Under 16 side, David Garrity and Peter Reed, were regular members of the side, each indicating ability beyond his years. Peter proved very sound and played several solid innings while David, a fluent stroke maker scored runs consistently but failed to put together innings beyond 40. Both showed weaknesses outside the off-stump which will need to be worked on if they are to lift that aspect to match other aspects of their game. Peter Bradley, with limited opportunities, also showed promise and should become a regular second grade player next season.

Ken Brazell and Paul Bonnett both started the year in splendid fashion. Paul's unavailability in mid-season and subsequent lapse of form when he returned to third grade, together with Ken's run of wretched luck saw them

finish the season in thirds. Each is certainly better than that - as will probably be shown next season. Geoff Gelding at number 7 was one of the team's most consistent batsmen. Like Alan Grigg, he attacked the bowlers and was rewarded with a splendid season - the aggregate and average, plus a memorable century against South Woden in conditions which words cannot describe. His explosive batting at times changed the complexion of games and it is pleasing to see an old campaigner really do justice to his batting. In scoring his century, he and Tim Driscoll broke the partnership record - a most fitting reward for two players who give of their all consistently. Tim missed approximately one third of the season but in what was seen of him, both with the bat and behind the stumps, he is certainly a first grader for next season. His keeping at times was superb.

Gerald Garrity had a fair season with the bat while Garry Beauchamp, after missing the first few rounds, proved that he is a genuine second grade all-rounder and a fine team player.

The bowling was possibly the side's strength with the speed attack headed by Phil Mitchell and Steve Bryant. There were few occasions when we had to chase 200 runs fortunately! Phil, who has been on the Wests scene for a few years, came to the fore this season and given the opportunity will prove a genuine first grader right from the start of next season. Steve's 36 wickets were a reward for persistently accurate bowling. On several occasions he came back in his second spell to either contain the batsmen or to wrap up an innings. Tony O'Connor commenced with a bag of five wickets in the first match but failed to reproduce that form in later games. Bruce Coe came into the side when Tony went to Brisbane and was rewarded against Norths with five wickets to all but snatch victory for the team. The spinners had their share of success with Garrity and Beauchamp themselves accounting for nearly half the wickets taken. Geoff Gelding, by his own bowling standards, had a lean season though his inspired spell of 5/21 nearly pulled the Semi-Final out of the fire.

The other century-maker for the team was Greg Beacroft, who in his comeback match showed clearly that he is well above second grade standard. His 135 not out made in less than even time included 6 sixes. After Christmas, Barry Andrews played a fine hand against Weston Creek, and his promotion for the first grade Semi-Final created a void in our line-up.

His presence in the Semi-Final line-up could well have been the difference between winning and losing.

The team's fielding was, by any standards, very poor. Despite the fact that nearly half the side were under 20, the youngsters, with the notably exceptions of Tim Driscoll and Justin Reed, were disappointing. One would have expected that quick reflexes, strong and accurate throws and safe hands would have been seen but these were seldom evidenced. The best fieldsman was Justin Reed whose performances in both games against East Canberra were quite outstanding. The loss of Tony O'Connor was evidenced in the field. When one considers that as the balance of the side was made up of "old" players who also had unsafe hands and were somewhat leaden footed, it was surprising that the bowlers were able to dismiss sides so cheaply.

To overcome this deficiency I would like to see a round-robin 7-a-side competition conducted midweek within the Club. Not only would it serve to add variety so necessary if training is to be purposeful, but it would enable club members of all grades to play together. Matches could be played on a 16/20 over basis and there is little doubt that the competitiveness would appreciably elevate the fielding standards with pressure being on all the time. Running between wickets should also improve.

Overall the season had a lot to commend it. The approach of players and their attempts to win rather than draw games was extremely pleasing and finishes against South Woden (twice) and Easts were each quite memorable and something to reflect on in years to come. Two outright wins were achieved and two others were nearly secured against ANU and Woden. To have finished minor premiers, and be beaten in the Semi-Final by three wickets by the side which won the competition, must rate very highly. When one looks at the youth of the side, the club should be well pleased with the performance of its second grade team.

Special mention should be made to Jenny O'Neill for her contribution for the very important afternoon tea duties and to the other ladies who assisted with the lunches for the Semi-Final.

Gerald Garrity

THIRD GRADE

The 1979/80 season was not an easy one for thirds. Unavailability of players often led to the selection of unbalanced combinations, especially in mid-season. In all 30 players represented thirds during the season. Of the 14 matches played 4 were won, 9 were lost and 1 was drawn. The side finished in 9th position - a little disappointing in comparison with previous seasons. However, 5 matches were lost by narrow margins and had several of these games gone the other way thirds could have reached the Semi-Finals.

The highlight of the season was undoubtedly the team's win against Weston Creek who had amassed 300 runs in extreme heat on the first day. Very few Canberra sides have been able to win when faced with a score of that size.

Sid Smith scored the highest number of runs for the season (269) followed by Stuart Peacock (218). The highest individual score was an excellent 94 made by Peter Reed during his short stay in thirds. The most spectacular innings was Mick Hromow's match winning 58 not out in 45 minutes against Weston Creek. Towards the end of this extraordinary innings Mick was beginning to play shots that were in the book.

It was pleasing to see Peter Bradley regain form after a bad start to the season. His two half-centuries against ANU will long be remembered. Stuart Peacock played several good innings including two half-centuries, both under pressure. Warren Blackshaw started well, lost form for most of the second half of the season, but came good again in the last round with a well-made 41. Despite several promising starts, it was not until the last round that Ian Macleod showed his real ability with a determined 51. Robert Bradley boosted the batting during his stay scoring 114 runs in 3 matches.

Mick Hromow was the leading wicket-taker with 20 victims. His best figures were 7/74 off a marathon 34 overs against Norths. He also took 4/6 against Woden and sent down 26 overs in near-century heat against Weston Creek. Bruce Coe captured 18 wickets in 7 matches before being promoted to seconds. His performances included 7/34 (the season's best), 4/36 and 4/40. Don King with 16 wickets in 6 matches was just reaching top form when injury put him out for the season. Don's performances included 5/35 and 3/9.

Brian Karey showed he could be a force to be reckoned with in the future. His best performances were 4/23 off 16 overs and 3/33 off 24 overs. Also worthy of mention were his 22 overs against Weston Creek and 26 overs with cracked ribs against Norths. Stuart Peacock captured 13 wickets with his leg breaks. He worked hard improving length and direction. He will become more successful when he can generate a little more pace off the pitch. Chris Morgan was the other front line bowler, capturing 12 wickets in 7 games with his medium pacers.

Under protest, Ian Macleod did a good job behind the stumps for most of the season.

Sid Smith

FOURTH GRADE

Although not reaching the finals, I must congratulate all who played for a most enjoyable season. We were in equal third place with one game to play, but unfortunately Norths were too good in that game. Despite missing the Semi-Finals by one point, it was a top effort from everyone for going so close.

The team looked like it could score a lot of runs each time it batted, but it did not happen. Any score near 100 was almost a winning one. With Rob Scott and Greg Lalor as opening bowlers, they were able to pave the way for most of our wins. Although some individual efforts were factors in our wins, enough cannot be said of Rob and Greg.

The batting was the downfall of the team as most players, on a few occasions, got a fair start but could not carry on, showing a definite lack of application. We all realised this and have the ability to overcome it. Congratulations to Glen Fisher for his fine wicket-keeping and for his great 67 not out against Weston Creek, the team's highest score of the season. The younger batsmen, particularly Tim Hutchison and Russell Peacock both found, at the end of the season, that with application the runs will come. Keep up the good work. A number of past and present junior under 16 players played in the team and we hope will again next season. The experience gained will help greatly to reach greater heights in the Club. To all players who helped out over Christmas, thanks for your valued support.

I believe all players will be lining up again next season, although probably not all in fourths. I look forward to playing again as I have rarely played in any sport with a team with so much team spirit and willingness to help each other as this fourth grade team.

I have not mentioned many individuals, not because they did not deserve it at one time or another, but because it was our team as a whole which kept us in the running for finals honours. In all, the team used 27 players throughout the season, so I say thank you 26 times. I look forward to seeing you all next season, not only at the game but hopefully at practice at least once a week.
