**FORTY FIFTH
ANNUAL REPORT
SEASON 2014 - 2015**

MEMBERS CODE OF CONDUCT

Responsibilities of Membership of the Western District and University of Canberra Cricket Club Inc

In addition to the requirements to pay fees on time, membership of the Western District and University of Canberra Cricket Club carries with it other responsibilities.

You are expected to exhibit behaviour of an exemplary standard at all times where you are identified as a member. The most obvious occasions are on the playing field where acceptance of umpires' decisions, without dissent, is essential and unseemly conduct is not allowed. There are other occasions, however, such as socials, gatherings at the Rugby Club, as a spectator at matches involving the Club and at meetings, where you will be identified as a member of the Club and behavioural and dress standards should be upheld. The Club has the right to enforce penalties where there are proven breaches of reasonable conduct in these matters.

As a player, you should endeavour to be available for all matches as membership carries with it a commitment to the Club. Part of that commitment includes working cooperatively with the captain, team members and officials to ensure your side achieves its optimum performance.

While there is no requirement to undertake administrative duties, members should be aware that the workload in conducting all aspects of the Club's activities is considerable and should not be left to a select few. Your contribution to assist in making the Club work harmoniously and efficiently is encouraged.

Western District and University of Canberra Cricket Club
President Report
2014 – 2015

With this being my first report as President of WDUCCC on behalf of the Management committee and members I would like to take this opportunity of thanking the ACTCA and all of our sponsors for their support during the season.

Sponsors

Without our sponsors support it would be extremely difficult, perhaps impossible, for our club to continue to operate and compete in the ACTCA competition. To our primary sponsor Sports Club Kaleen and the Eastlake Football Club Group we say a big thankyou and look forward to further developing our relationship in the coming years. To all our other sponsors we appreciate and value your support and we hope that with our on field success we have provided value for your sponsorship contribution.

Committee Members

I would especially like to thank the Members of the Management Committee for their time and efforts this season. With a new committee and some outstanding issues from the previous season it was a somewhat difficult season management wise. To the executive team a big thankyou for all your efforts in keeping me on track with my role. Next season we will be looking for new committee members as I have been advised that two long term members will not be standing for their positions next season. Our thanks to Ajay Mehta and Bob Taylor for your commitment to the club and the work that you have undertaken over many years. We hope that with a season or two off that we may see you back in some capacity in the future.

Services to Cricket

At the ACTCA presentation night two of our volunteers were recognised for their contribution to the club. Our congratulations go to Emma Boschetti and Alisa Clark on receiving your awards. Your efforts this season should be applauded by all our members.

On the Field

2014-15 was a mixed season on the field. The most pleasing aspect of the past season was again winning the club championship. Winning this award for the past three seasons is a testament to the hard work undertaken by our coaches and the playing members. The club made finals in all formats we managed to achieve 5 premiership trophies.

This success was extremely positive given the turnover of players from the previous season. Our links to country based clubs/associations continues to provide us with talented young players who have contributed to the success through the grades. Towards the end of the season it was unfortunate that the club had to appeal a GGC decision regarding the eligibility of one of our players. We must thank Jamie Ronald for again representing the club at the appeals tribunal which led to a successful outcome.

Representative Players

It was pleasing to see a number of younger players took part in ACTCA representative teams during the season. Our congratulations to Blake Macdonald, Sam Skelly and Matthew Gilkes on their selections in the Junior representative teams. At the senior level it is now somewhat more difficult for local based players to gain representative honours following the signing of the MOU between CA, NSWCA and ACTCA which allows for country origin players that are playing in the Sydney grade competition to be selected in the Comets team. That along with no ACT team playing in the country championships reduces opportunities for representative selection.

Training Facilities

The training facilities at Kaleen, although built to a set standard by Sport & Rec, continue to cause some issues due to the aspect of facility facing east-west. The committee is still working through the issue with the setting sun that has the potential to cause injury to our players.

Financial Position

The financial position of the club is still somewhat tenuous given the high costs to operate each season. The committee has held a number of fund raising events this season. Support for these functions has been mixed resulting is less than budgeted profit due to the lack of attendance by some members. As mentioned earlier in this report it is difficult to continue to operate a small club without all members support. For the club to continue into the future I would encourage, or expect, better support for these events next season.

Western District and University of Canberra Cricket Club
Coaches Report
2014 – 2015

Season 2014/15 saw WDUCCC continue to establish itself as a successful club in the ACTCA framework. The hard work conducted by the committee and playing members has allowed for the club to develop into a dominant force.

WDUCCC was able to achieve great individual and team success again, and continue to build the depth throughout the grades.

WDUCCC secured 5 premierships in 14/15. First Grade won their first one day premiership since 1998/99, 2nd grade secured both the one day and two day premierships, 4th grade won the one day competition and 5th grade, led by stalwart, Jeff Clark, secured a brilliant final ball win in their competition. WDUCCC were again able to secure the Club Championship, for the 3rd consecutive year, a truly proud moment for the coaches, and great reward for the efforts of all parties. We made finals in almost every format. Disappointingly, after having all 4 teams in T20 semis, we unfortunately did not have any reach the final.

Through the off season, WDUCCC farewelled two star first grade players, Matt Condon and Beau McClintock to Sydney clubs. Both players were prolific performers in first grade in the previous season, and presented a challenge for us to fill those spots. We were fortunate to see the development of many juniors, who were all given opportunities in first grade this past season. Blake MacDonald, Sam Skelly, Tom Engelbrecht, Lachie Skelly and later in the season, Matt Gilkes, all made appearances and contributions in first grade.

The coaching staff and committee continued to develop relationships with regional centres through the off season, taking teams to both Griffith and returned to Batemans Bay. These relationships have allowed the club to continue to provide young players from the surrounding regions with opportunities to develop their games and expose them to quality cricket. We are collectively appreciative of the parents and families of these young players in travelling to Canberra, and spreading the word of mouth to other young players, that WDUCCC is a haven for developing new talent. The more active we are in regional areas, the more exposure the club can achieve, and the more players we can attract. Currently we have players from Wagga, Griffith, Crookwell, Goulburn, Batemans Bay, Ulladulla and Bowral (amongst others) in our playing group. Other clubs are envious of the relationships we have been able to develop with these areas, and we have seen other clubs make attempts and replicating our structure to develop their own player lists.

Statistically, WDUCCC saw many great performances again this season. There were:

- 15 scores over 100 and 76 other scores above 50
- 14 players scored over 400 runs, (1 player with 800+, 4 more with 700+)
- 16 hauls of 5+ wickets (one 7 wicket haul)
- 19 players took over 20 wickets (3 players with 40+ wickets)

Season 2014/15 saw the clubs highest individual score also surpassed, the new record set by Theo Valeri in the third grade semi final. Theo's 211 was only the second time a WDUCCC member has scored a double hundred.

The coaching staff had intentions of 'mixing things up' through training this season, and early in the season, we made attempts to conduct some measurable testing. Unfortunately, through dwindling attendances at training, and some other off field issues, we were unable to sustain this testing through the season. The success we have had over the past few seasons is no accident, it has been a consequence of hard work, and for the success to continue to be achieved, the coaches require commitment across the club at training and on match days. This is an area we can target to continue to improve into season 15/16. Continuing to develop players skillsets, and match awareness is of focus for the coaches into season 15/16.

Season 15/16 poses many challenges for WDUCCC. The coaches are committed to developing [players, and pushing for improved access to facilities and equipment. We are committed to developing new captains, providing opportunities to young players and to continue to develop existing members to enable our club to continue this successful period. The committee and coaches are also committed to re-establishing the relationship with our junior club to ensure the long term viability of our club

We are both incredibly proud of the achievements of our teams and individuals in recent seasons and we look forward to further success in the coming season.

In cricket,

Matt McGann and John Cheadle

Western District and University of Canberra Cricket Club
1st Grade Captains Report
2014 – 2015

Another successful season for Wests 1st grade, making it to Konica Cup T20 semi-finals, The Douglas Cup 2 day final, and taking out the John Gallop One Day cup. It was the main goal of the team at season's beginning to take a 3rd straight Douglas Cup premiership out of this season. To go down to Weston Creek in the final was disappointing, but the fact this team can continually re-invent itself and compete year in year out as it has, is a great achievement and exciting to see in itself.

Proudly, I can say it was a massive achievement and thrill to be part of, and captain the side to take out the John Gallop Cup against Weston Creek. The effort the side put in on that day to take the win was one I will long remember, and all involved should be extremely proud of.

During the off season, the side underwent several changes from previous seasons, with the departure of Matt Condon and Beau McClintock to play in Sydney grade cricket to further their prospective careers, and Sam Carters undertaking study overseas for the second half of the season, open doors for several players to show what they could do.

On top of these player movements, we had several injuries to players that held regular spots in 1st grade, which in turn provided great opportunity for other players to take their chance and cement spots in the side. It is with great pride I can say that we once again were unable to unearth and see the emergence of a great bunch of youngsters making their first grade debuts. Blake Macdonald, Matthew Gilkes, Tom Engelbrecht and Sam Skelly all demonstrated their abilities on the field, and with kids like these around, the future of the club is bright! Matthew Gilkes taking out the First Grade batting award in his debut season was a huge achievement, and Blake Macdonald's 142 in the Semi Final, is proof the club is in good hands, and I look forward to seeing further progression in all of the youngster's games next season.

The highlight of the season for me was finally taking out the 1 Day flag, in such a thrilling and anticipated encounter, Joe Cooke's 102 in that game, the standout performance. Again the improvement in our game, especially in the 1 day arena was a testament to both the coaches and players on never resting on our laurels after a successful couple of years. That win will live in my memory for many years to come, and I am proud of everyone involved.

Unfortunately, we could not complete the three-peat in the 2 Day competition, but to make the 4th Grand final in as many years was an outstanding effort, and a shame we couldn't quite get across the line on the day. As the saying goes, there is always next year, and I look forward to hopefully making it 5 GF's in a row, and take out the 3rd flag in that time. I know we will have the ability in the sheds to do the job, it will come down to keeping up the hard work, and belief we can do it.

I would like to extend a big thank you to Mathew McGann and John Cheadle for coaching Westies again this season. The effort and time these guys put into the role is largely unrealised, and the time spent on player development, and game strategies outside of training times plays a huge role in the clubs success.

I would also like to thank the Committee, the true unsung heroes of the club. The time and effort these guys put in year in year out, behind the scenes on a volunteer basis is something that can never be paid back in full. The club truly could not operate without this selfless bunch of people, and I would like to extend my personal thanks to you all for everything you do.

Finally I would like to say that this was my last season as first grade captain. I would like to thank everyone that has helped make my job as skipper over the last 5 years both enjoyable and a massive life lesson. I feel I grew with the team in the role, and look forward to remaining part of the team moving forward. This is a great club, and I am both proud and privileged to have been given the opportunity to lead a great bunch of fellas. My sincerest thanks to all.

All For One!

Western District and University of Canberra Cricket Club
2nd Grade Captains Report
2014 – 2015

Thanks to committee for their assistance to the families who put up with so much over the season.

It was another great year winning two out of three premierships and making the semi-final in T20, winning 19/23 matches. We were unbeaten in the 1 day competition.

We had twenty one 50s and three 100s scored throughout the season. We were far and away the best team in the competition.

Bowling wise five bowlers took over 30 wickets.

A club record 10th wicket unbroken partnership of 109 runs was achieved by Duane Hall and Sam Skelly.

No individual scored a 100 against us, a stat we took pride in.

The 2 most pleasing things to see was 1, improvement in the young players.

Lachie Skelly, Tom Engelbrecht, Sam Skelly, Blake McDonald and Matthew Gilkes all played and did well in 2s before going on to bigger and better things. Showing they will be a big part of the club in the coming years.

This is the best bunch of kids I've seen in one club. The future is bright.

The other was to play with such a great group of young men, and Ganny!
Seriously it is a privilege to spend Saturday's with this group.

I don't like to single out individuals but I will quickly;

Nick Polhill, his batting was just too good for 2s. 800 runs and who knows how many he gets if he doesn't miss games for music festivals, moving house, study etc.

Darty, the wily old veteran is ageless. Although he started getting a little fiery this season, he just keeps winning games with either bat or ball.

Ganny- this bloke is just an old warrior, cranky, crippled, and passionate. He just didn't stop until the outcome was decided no matter the toll to his body. Personally I would like to thank him for shouldering the coaching load after Xmas when things were tough on the family front. Thanks mate you have a heart as big as phar lap. You are Wests.

Mick Earl - Besides having the best head of hair at the club, he also is a champion bloke. His numbers were good enough to keep his place in the team but he did the most selfless thing I've seen and gave up his spot in the final. Mick you are one of the greats.

All in all it was a fantastic season. Fantastic people, besides winning titles the other role of 2s is getting players ready for 1s , we've been good at this, I'm sure it will continue .

Enjoy the off season

John Cheadle

Western District and University of Canberra Cricket Club
3rd Grade Captains Report
2014 – 2015

On reflection, the 2014-15 season was a pretty successful one as a club. Losing nearly a team's worth of players that had played 1s, 2s or 3s in the 13-14 season, we did a great job as a club to push almost every side into the top four of each of the competitions, with 5 of those becoming premiers. We also were able to secure a third consecutive Club Championship, which I think is most satisfying one that we as a club have won.

For 3rd Grade our depth was going to be tested, so it was important to have some experience in the side. Jimmy Harrison who had played in 4s in the previous season was a very handy addition for us, his nagging line were crucial to build pressure and he also narrowly missed out on the 3rd grade bowling award. Matt Veitch who hadn't played regularly for a few seasons got better with his off-spin every match. It was a pleasure to be there when he took his first 5-fa for Westies. Having these guys in the team made it easier for me, especially when I thought that we may need a leadership change at the Christmas break. Both re-assured me that we needed to stick solid with the leadership. In hindsight it was really the lack of personnel available which contributed to a poor run before the Christmas break. Marcus Cosgrave was another guy that was valuable to the team, he brought some lower order runs and more importantly the Saturday quiz, which made some of the longer days in the field a bit more enjoyable. You can't underestimate having characters in your side, it certainly can lighten the mood around the players.

This year the draw was a little different. There is normally a mix of formats to fit the draw together. However this season saw almost all of the limited over games finished by the end of November. The main problem I had with the draw was scheduling a two day game over the Saturday/Sunday just before Christmas. I'm sure most clubs had issues with this, but I think having two one dayers at that time of the season might have been a better fit. Otherwise it was easier to prepare for each of the formats. Our record in the one dayers was excellent leading into the two dayers. Out of the six games, we had 4 wins, 1 washout and one loss. Our one day batting was more consistent this season. We were able to get ourselves in a good position in most games to push on to bigger totals. The only blip was when we got rolled by Weston Creek. Every other one dayer we able to bat out our 45 overs or chase the target down.

The T20s were a mix of results. In the qualifiers we had two wins and two losses, which meant we had to rely on net run rate to sneak into the semi-finals. Our powerplay batting in the first 6 overs was great in each of these games. The plan was to attack and take on the bowling when the field was up inside the circle. Our lowest powerplay score was 1/49, which set up our innings nicely. In the semi-final against Queanbeyan they were able to put the brakes on which limited our score to 130, when we were looking at pushing 160 early on. A quick outfield and some great batting meant we weren't in the hunt. Momentum is a big factor in this format, when a team is on a roll it is hard to peg back.

The two day campaign started pretty slowly results wise. Our first match against Queanbeyan was a tough lesson. Short on numbers, we only had ten on the field for the last hour on the first day, but our effort defending was encouraging. Queanbeyan

batted on for another half hour in the second week to set an imposing 310. We were in a decent spot to hold on for a draw at the last drinks break with 6 wickets in hand, but we fell in a heap to lose our last wicket with ten minutes left of play. Disappointing loss first up. We bounced back with a good win against Tuggeranong in a rain affected match that was rescheduled to be played as a one dayer. The last game before Christmas was played over Saturday/Sunday. I like the idea of a two day game being played over a weekend, but I think the timing of a full weekend game can be better placed elsewhere in the season. Our batting wasn't up to scratch in this fixture leaving us only 100 to defend, our bowlers were able to restrict ANU to 130, but there wasn't enough time left in the game for a second innings result. This left us at 1 win and 2 losses and outside of the top four leading to the mid-season break.

After Christmas, we had our last one day game washed out against Queanbeyan. The washout meant that we would finish 3rd and miss out on a home semi-final. We came up against Weston Creek, who in last year's one day semi, rolled us for 50odd. Our toughness with the bat started to show in this game. I was able to hang around for most of the innings to get 46, Jaffry batted really well through the middle overs to get 33 and leave us with plenty of batting going into the last 8 overs. Marcus Cosgrave got a handy 36 not out to get us up to 7/184. On a slow outfield it was going to be hard to chase down. Our bowlers were fantastic. Lachie O'Sullivan fresh from knee surgery only a couple of days earlier led the way with 5 wickets. Matt Veitch picked up 3 wickets, and the middle over economical efforts of Jimmy Harrison and Harley Peachey each got 1 wicket. Restricting them to 149 was our most complete performance of the season to date.

Queanbeyan won the toss and batted first in the final at Freebody. We jagged a run out in the first over, but it was tough work for our bowlers. Queanbeyan were cruising at 1/79, before Sam Wightman and Jimmy were able to brakes on a bit. We recovered to have them 7/161, but some late order hitting got them to 9/231. Sam taking 4/40 off 9 and Veitchy 1/27 off 9 the pick of our bowlers. On a flat pitch with a very fast outfield we were definitely a big chance. In the innings break the storm clouds were building. Jasyon Bush and I opened the batting and we got to 0/46 off 11 before a rain delay was to halt our progress. A long wait and plenty of convincing of the umpires to let us back out. We ended up getting back on the field with a revised target of 108 off 20 overs. Very gettable with all 10 wickets in hand. Bushy, after some refreshments in the rain delay came back out with a bang. We were able to add 31 in only 4 overs before Queanbeyan's rain dance worked, the rain halting our charge for the last time, needing only 31 from 30 balls with 9 wickets in hand. We got to play a replay the next weekend, but our under the radar approach was exposed.

In the replay Queanbeyan batted first again, Eddie Marshall picked up an early wicket but the rest of the powerplay was a disaster for us, a dropped catch early gave Michael Frost to big a chance and he set up their innings with 81 off only 54 balls. To our credit we fought back really well in the middle overs again to have them 4/178 off 30 overs, the only problem was only having 45 minutes to bowl the last 15 overs, or we could lose overs in our run chase. Luckily we got through the overs in time, we were able to take another 5 wickets and keep them to 9/266. Sam got 4 wickets again, Lachie and Jimmy got 2 each. Once again Bushy and I opened. We had a cautious start and were going okay at 1/46 off 11, then later 2/93 off 21, but we really needed to increase the scoring. Jaffry and I were able to do this and we ended up getting to

3/152 off 29 overs when Jaffry perished, still needing 115 of 16 overs for the win. As long as I was in we were going to be a great chance, but I ended up going out at 6/190 in 36 overs for 117. My first century for the club. Unfortunately I left too much work still to be done as we got bowled out in the 43rd over for 231. I would trade the hundred for a duck, if it meant we got the win that day. I'm still spewing I couldn't get us over the line.

In between the one day finals we resumed two day cricket with matches against Norths and Weston Creek. Against Norths, we ruined a good start, being at 3/150, all out for 170. They chased it down with 4 wickets in hand, leaving our two day comp on life support. Against Creek, who were at the top of the table at the time, we bowled great to have them all out for 91. Eddie Marshall took 4/28 and Jimmy again in the wickets with 3/16. At stumps we worked our way into a great position, being 2/42 with an entire day to chase down another 50 runs. That night the club had 20 year celebrations for the 1st grade premierships won. Talking to club legend Darryle MacDonald that night, he suggested we should declare as we passed their score to try and catch them on the jump a little. The explanation being, that you can bat too long to build a lead and not leave yourself enough time to bowl them out a second time. It entices the opposition to make the running as they would have to take unnecessary risks to try to gain points. Plus if you should bowl the opposition out a second time, you are able to plan the run chase better. It was an interesting insight and if it wasn't pointed out to me, I probably would have tried to get to a 50 or 60 lead. As it happened Jaffry and Jack Matthews batted faster than expected and we chased down the first innings target in 10 overs. We declared with an 8 run lead, mainly to make sure the scorebooks added up. In the second innings we were able to bowl Creek out again for 111, thanks largely to Veitchy's 5/47. That left us a target of 104 off 32 overs. The run chase was paced nicely again by Jaffry, getting his second 30odd for the match, guiding us home inside the last 10 minutes of the day with 7 wickets in hand. This was the turning point of our two day season.

With 2 matches to go, we were still in the hunt to make it to the top 4. Against Eastlake we had a washed out draw. We batted first and Jaffry continued his great form scoring 100, well supported by Dean Wickham who scored 69 to help get us to 6/258 declared. When a freak shower came down Eastlake were 4/121. Leaving us with a must win in the last round against Ginninderra. They sent us in on a slow track at Radford. We declared at 5/201 to give ourselves 12 overs at them, having them 5/45 at stumps vindicated the decision to declare. In week two, there was a bit more resistance. We bowled them out for 86 in the 45th over and were able to enforce the follow on. But the resistance continued, they got through to stumps at 5/147. The first innings win meant that we finished 3rd on the table. We were to play Norths in the semi-final, the team who beat us by ladder position in last year's washed out two day final. The wicket out at Harrison was a batsman's paradise. Norths won the toss and batted first. We were up against it pretty much the first 2 sessions. Norths being 0/104 at Lunch and then 3/233 at Tea. We had to fight hard in the last session or the game was going to be taken further away from us. Fight we did, not only were we able to dry up the scoring, but we also got rewarded for tight bowling by taking wickets. Veitchy taking his 3rd wicket started a collapse from being 3/265 to being 8/317 at stumps. All of the bowlers really toiled hard coming back for the third session. It was a great fightback, when it looked like we could be staring at 360 plus. Day two the key was to try and get their last 2 wickets as quickly as possible. We

were able to do this within 9 overs, leaving us an epic chase of 344 to win in 85 overs. Theo Valeri and I opened up and we got off to a great start, getting through to lunch none down for 60. When I perished, we were well on our way at 1/139 off 38 overs with Theo on 71. Dean was out shortly after to have us 2/156 off 45 overs with Theo on 81. After a scare when Theo was dropped in the 80s, he and Jaffry built an excellent partnership to get us up to 3/298 off 69 overs with Theo on 185 not out. Theo and Jordan went on to finish the job, in the process Theo brought up 200. It was an amazing performance, and he didn't lose sight of the finish line when he brought up the massive milestone, he made sure to make it a big celebration when the job was done. But to execute a big run chase you need someone at the other end. I thought Jaffry and Jordon were awesome on the day as well. It was an unbelievable feeling to have about 40 or 50 members of the club jammed into the small rooms at Harrison to belt out the song.

Unfortunately, the week that followed was my toughest week being involved with the club. Norths had lodged an appeal with the GCC about Theo's eligibility to play 3rd grade and it was upheld, and we were disqualified from the Grand Final. It was extremely tough to watch Mathew McGann break the news to the team at training on the Tuesday, but he also explained that we had plans to appeal the decision. It was a weird training session, and it was a big ask to for the guys to be motivated to train as if we were playing. Instead of celebrating the win it was a really empty feeling, nervous, not knowing the outcome of the appeal.

Our appeal led by Jamie Ronald and Bob Taylor was successful on the Wednesday night. We were reinstated. Special mention to Mathew and Allan McGann and the rest of the board for their hard work to get us back into the Grand Final.

Up against Queanbeyan again, at Freebody again. We were massive underdogs going into the game, Queanbeyan hadn't lost a match all season. We on the other hand, had just chased down a massive score, so it would be nice to knock them off in the big one. It all went wrong for us unfortunately. In the warmup, I accidentally hit a ball into Mick Earl's leg causing massive bruising on his calf and also prevented him opening the batting. A forced change was to have Dean and I open up. Mick came in at first drop, but was clearly struggling with his calf. He battled on for 15, to get us to 2/51. Soon after Jaffry went out at 3/75, then I went shortly after bringing up 50 to be 4/88. Not an ideal start being 4/98 at lunch after winning the toss. In the second session Jake Boyle led the way getting 63, but there was not enough other support with the next highest score being 17. All out 221. We were upbeat about defending the score, but Queanbeyan had other plans. We toiled hard for the rest of the day, but they were chanceless in getting to 0/110 at stumps. Day 2 we threw everything at them, were unlucky to miss a couple of chances though. They ended up chasing the score none down. Comprehensively out batted. I feel as though our momentum got stolen a bit with the appeal.

It's tough to swallow with how hard it is to make a Grand Final, but this season has been one of my most enjoyable.

There was a lot to enjoy this season, most memorable would be our two semi-final wins. Against the odds we were able to stand up.

Memorable performances

Theo Valeri 211* vs Norths

Mick Earl 127 vs ANU

Clinton Lillepruun 117 vs Queanbeyan

Lachie O'Sullivan 5/40 vs Weston Creek

Matt Veitch 5/47 vs Weston Creek

There were a number of other guys that made the paper (30 plus innings or 3 plus wickets). There were at least 2 per game. The great thing was it wasn't the same people making the contributions through the season. We had over 30 different players in 3s this season and everyone played their part in our success.

I want to thank Mathew McGann, his tireless efforts with selections are greatly appreciated. On top of that his coaching with John Cheadle got us up to scratch to compete week-in-week-out. Also, Allan McGann and the rest of the board.

Roar!

Clinton Lillepruun

<http://mycricket.cricket.com.au/home.aspx?entityID=3338>

Western District and University of Canberra Cricket Club
4th Grade Captains Report
2014 – 2015

Results

T20 – Losing semi-finalists

ONE DAYERS – PREMIERSHIP WINNERS (back-to-back)

Two dayers – Finished 7th in the ladder.

4th grade had a mixed season split by 3 distinct performance periods. October and November saw us registering 5 of 6 one day wins and 3 out of 4 T20 wins. Late November, December and early January saw us losing 4 consecutive two dayers after being in strong positions at Tea on the first day.

After losing the T20 semifinals to North's, 4s picked up their game in the one day semi-finals and grand finals to register back to back one day premierships. We also won 2 of the remaining 3 two dayers, and went down fighting valiantly in the 3rd game.

The highlight of the season was the One day semi-final and grand final wins, although not qualifying for the two day semi-finals was a major letdown.

Key Performances - Batsmen

Syed Jaffry was the standout batsman for 4s having an average of 42 scoring 295 runs even though he only played half the season, before moving up to 3s. Sudha, Selmes and Suman were the other consistent scorers in the grade. Jack and Baden also made a couple of key contributions with the bat during the season. The one day grand final saw scores from Sudha (75), Selmes (37) and Ty Pascoe (22) play a key role in putting Queanbeyan under scoreboard pressure while they were chasing.

Key Bowling Performances

Muhamand Zubair was the standout bowler for 4s claiming 24 wickets for the season with an average of 18. Div Randev came in with critical contributions in the latter half of the season taking a bagful of wickets in the last 3 games including the grand final. Eddie Marshall and Sudha were the other consistent bowlers through the season. Stefan, Selmes and Baden bowled match winning spells later in the season.

With plenty of promise in the form of improving youngsters and a stronger club representation, 4s are well poised to improve on this season's performances next time around.
