MEMBERS CODE OF CONDUCT

Responsibilities of Membership of the Western District and University of Canberra Cricket Club Inc

In addition to the requirements to pay fees on time, membership of the Western District and University of Canberra Cricket Club carries with it other responsibilities.

You are expected to exhibit behaviour of an exemplary standard at all times where you are identified as a member. The most obvious occasions are on the playing field where acceptance of umpires' decisions, without dissent, is essential and unseemly conduct is not allowed. There are other occasions, however, such as socials, gatherings at the Rugby Club, as a spectator at matches involving the Club and at meetings, where you will be identified as a member of the Club and behavioural and dress standards should be upheld. The Club has the right to enforce penalties where there are proven breaches of reasonable conduct in these matters.

As a player, you should endeavour to be available for all matches as membership carries with it a commitment to the Club. Part of that commitment includes working cooperatively with the captain, team members and officials to ensure your side achieves its optimum performance.

While there is no requirement to undertake administrative duties, members should be aware that the workload in conducting all aspects of the Club's activities is considerable and should not be left to a select few. Your contribution to assist in making the Club work harmoniously and efficiently is encouraged.

Western District and University of Canberra Cricket Club
President Report
2011 – 2012

I am here as president of the WDUCCC and feeling honored by the role but also the sadness of why I have come into the position. To follow Derek as President is a privilege but also daunting as it will be impossible for me to undertake even half the tasks that he so ably performed.

We are here tonight to look back over the last year to both look back at the lows but more importantly to celebrate the highs of which of course began with the announcement on the 26th of July that Nathan Lyon had been named in the Australian touring party to Sri Lanka, and who will forget his first ball in Test Cricket and everything that has followed that afternoon and in the months since.

The move from the Southern Cross Club at Jamison to Eastlakes at Kaleen Sports Club has also been of great benefit not only financially but a feeling we were welcome and belonged there, something that had been sadly lacking at Jamison for a few years.

The cap presentation to begin the season was something special as well as having players from throughout our history here on that night was a great event and its something we can build on. Special thanks to Darren Richards and his team for making the night as successful as it was.

As for the Wests season on the field, we had varying success with importantly 1st grade proving a lot of critics wrong and making it to the Grand Final and even though the result was not what we wanted that performance is something we should be proud of. Fourth grade again were competitive and made the GF as did second grade in the one day competition. We had good success with the t20 with the Div 1 team in the semis Div 2 making the final and Div 3 defending the title they won last season after being named joint premiers after rain ruined any chance of a match being completed. But the jewel in crown this season has been the Woman's team coming from last 2 seasons ago to take out the Glenda Hall Shield.

There are also many individual highlights which we will all hear about over the course of the evening but make sure we do focus on these team achievements as being part of a team WDUCCC Cricket Club we all should be very proud of them.

I would like to thank everyone who has helped off the field this season starting with Derek but also Bob Taylor and Bill McKell and the rest of the committee plus also my partner Megan who is also fifth grade scorer – Jimmy Harrison as the woman's coach John Cheadle for the work he has done. Matt McGann and Pete McKell for their efforts tonight and also the captains of each of the teams Oaks, Pete, Ben, Prunnie, Robbo, Jaffs and Alisa, there is so much more work than just on the field in those roles. Also Kelly Gryzwacz for as anyone who has played in the same team as Luke knows often provides lunches, fruit or cake and has also cleaned the kitchens at both Kaleen and Jamison to a condition that has not been seen for many years.

Going forward the work for the new training facilities at Kaleen Oval has begun and this will hopefully help to lift us all to greater performances next year and who ever is

standing up here this time next year can list it among our achievements for the year. Having said all that there is still and always will be a lot of work to keep our club not only viable and competitive but a dominant force in Canberra Cricket so everyone of us needs to put our hand up and help both on and off the field to keep Wests where we all want it to be.

Notes to and forming part of the Financial Statements for the year ended 30 June 2012

Note 1: Statement of significant Accounting Policies

(a) Basis of preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (1991) of the ACT. The Committee has determined that the Association is not a reporting entity.

The Financial Statements have been prepared in accordance with the requirements of the Associations Incorporation Act (1991) and the following accounting standards:

| | |
|------------|--------------------------------------|
| AASB 1031: | Materiality |
| AASB 110: | Events Occuring After Reporting Date |

No other Australian Accounting Standards, Australian Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Committee have been applied.

These Financial Statements are also prepared on an accruals basis and are based on historical costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies have been adopted in the preparation of these Financial Statements:

(b) Income Tax

The Association is exempt from income tax under Section 23(e) of the Income Tax Assessment Act. Consequently the principles of income tax effect accounting are not relevant.

(c) Fixed Assets

Where relevant, any plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

Notes to and forming part of the Financial Statements for the year ended 30 June 2012 (continued)

(d) Goods and Services Tax (GST)

As the Association is a not for profit organisation whose turnover is below the required threshold, GST registration is not required. In these circumstances the GST is recognised as part of the cost of acquisition of any assets or included in the cost of expenses.

(e) Revenue

Revenue is measured at the fair value of the consideration or contributions received or receivable. Where revenue is received in the form of cash, the fair value of the consideration is the amount received.

Note 2: Contingent Liabilities

There are no known contingent liabilities or claims in existence against the Association.

Note 3: Events occurring after the Balance Date

There are no post balance date events that effect the financial statements for the year ended 30 June 2012.

Note 4: Association Details

Western District and University of Canberra Cricket Club
Women's Report
2011 – 2012

Season 2011/2012 again incorporated a mixture of 40 overs and twenty-20 games alternating throughout the season. With the return of our coach James Harrison and hard team work (with some individual brilliances) we managed to finish the season in 2nd place and become premiers (not without some controversy though it wouldn't be cricket otherwise).

The pre-season welcomed a very talented addition to our team – Annie Pham. A special mention must be given to Annie not only did she take out our batting and bowling awards with figures of 4/7 against ANU and 48* against Tuggeranong but she took out the Glenda Hall player of the year award at the DB Robin presentation night.

After a good start to the season winning 5/7 games, we came to slight speed bump coming back from Christmas, clearly we all enjoyed the break a little too much! After a hard loss to Tuggeranong (losing on the 2nd last ball) we knew we had to step up in order to come away with a win in tight games. We finished the season on high knocking off ANU to finish second and going on to win the premiership.

For the second year in a row we raised money for Pink Stumps day and we raised a total of \$959 – thank-you must go to Eastlake cricket team who raised \$400.00 of that total. I just want to thank a few people who helped with the event. A huge thank-you must go to Jeff and Megan for all their help with the BBQ and also assisting with the clean up after the game. Also a special mention to Rebecca who set up the online donation page and got the fundraising event started. And also to all the guys who came out and watched us play and made a donation.

I would also like to thank a few people with their assistance throughout the season.

- Jimmy – without jimmy we would not be where we are, he is always the first to training and the last to leave. We would always have different warm ups and drills organised at training and he always made sure everyone was given the same opportunities while batting and bowling in the nets. His commitments continued at the games scoring, umpiring and warming up the team – we cannot thank you enough for your efforts this year and look forward to the next season.
- Graeme – For updating My Cricket every week
- Bob – for all his help and assistance throughout the season
- Darren Richards – for coming down to our training session and running a batting clinic
- Anne Lawson – for helping me with all the captaining duties, as all captains would know there is more to be captain then organising the team on the day, emails and messages have to be sent with reminders about training and where we are playing next weekend and I couldn't have done it all without her help!

I would also like to acknowledge Derrick, we have found out the hard way how much he contributed to the club we all knew it was a lot but still now we are finding things

that need doing and we think 'whose job was that'. And of course without Derrick's help over the past years we probably wouldn't have a women's team.

Continuing as captain for my 2nd year was a great privilege and going on to win our maiden premiership as Wests/UC was a great achievement. However I could not have done it without the help from everyone in the team. This year's successes were a result of everyone in the team contributing in some form whether it be with the bat, ball or fielding. Some season highlights include:

- Rebecca Tapper making 50* against Western Creek - an outstanding accomplishment,
- Annie Pham 48* against Tuggeranong,
- Deanne Young took 4/17 against Queanbeyan and made a crucial run out against North Canberra Gungahlin (what was more impressive was the run out came of a dropped caught and bowled)
- Emma Greenhalgh took 2/5 against Tuggeranong and took a very impressive catch against ANU which was crucial in winning the game moving us into 2nd position to finish the season.
- Helena Kreis took 3/8 against Eastlake and took 3/22 in our semi-final against ANU.
- Anne Lawson took 4/5 in our semi-final against ANU which most certainly cemented the win for us.
- Alisa Clark took 2/12 against ANU and took 4 catches against North Canberra Gungahlin,
- I don't know where to start with Clare Quinlan – she rocked up to cricket after 15 months off from knee surgery and was still faster and better than me and this was just the first training session! If it wasn't her bowling that helped keep us in the game it was tight fielding and freakishly good catches.
- Throughout this season our bowling and fielding made huge contributions in winning games but what was even more impressive was the keeping by Kathryn Lawson. Every game she would save at least 20-30 runs with her keeping and then would go out and make some quick runs or in cases when we were in trouble she would stay out there and form partnerships and steady the innings.

Vale Derek Gould ASM

Derek arrived at Western District Cricket Club during the season of 2002/2003, assuming the role of vice president.

After a long and distinguished involvement with ACTCA, Wests was the immediate beneficiary of the experience of a cricket tragic.

The following season, Derek was nominated for and assumed the role of Club President, a role he maintained from that time, right up until his passing on Christmas Day.

An organised and disciplined man, Derek was a perfect fit for a club desperately requiring attention. Derek was able to direct the club forward, committing whole heartedly to the running of the club, and was able to stabilise the financial position of the club.

Derek oversaw the ongoing operations of the club, and committed to several sub committees within ACTCA as the representative of our small organisation. Derek maintained his involvement with the Umpires council, as a standing umpire, committee member and umpire trainer, enormous commitments themselves, but a true reflection on his commitment to one of his greatest passions, cricket.

A man so dedicated to cricket can only do so by having strength of family behind him. Tedious and boring for those outside the playing and committee members, Ann was a constant at our club functions, showing support for the man she loved, and he loved his best friend, even more for that. My many discussions with Derek over the years included several conversations about the understanding and support of not only Ann, but his children and grandchildren. He spoke with so much pride of his children and their new families, the spark in his eye brightening as he described looking after and playing with the grand kids.

Derek was selfless, and interested in others, he always checked to see how the members of the club were going in their own lives. Especially important to me was the support he gave to me and my father through tough personal times. He acknowledged the efforts of others above his own and will always stay in my mind as a thoughtful and generous man.

Derek enjoyed a good yarn, and he had plenty of stories to tell from a lifetime of cricket. He was a link to the past, and could not only recount matches, but conversations and incidents from within these matches, providing a link to the past and an insight into a different era. For more than fifty years Derek committed himself to the game he loved, all over the world, and was duly awarded recognition from several organisations appreciating his involvement. He was proud of what he achieved through cricket, and proud of the recognition that came as a result. In recent years, he was honoured by none other than the International Cricket Council, crickets governing international body, for his services to cricket, one of his proudest achievements.

Derek was also the serving president for the last first grade premiership for Wests, and was proud of the clubs achievement in winning this title. The workload Derek assumed to enable us to play the game we love should never be understated. We owe a debt of gratitude to Derek and his family, men of such commitment are few and far between. In my time at Wests, no other individual has contributed more time and effort to the club that we love than Derek Reginald George Gould.

Most importantly for the club members, and myself, Derek was a friend and we will all miss him enormously. To Ann, David and Sarah, and your extended families, the sincerest thoughts are with you at this time, we will miss him, he will be part of our club and memories forever. Rest in Peace Derek and may your memory live in cricket forever mate.
